

SCCADR-F120

Canon DR-F120 Person Document Scanner

Product Overview

Canon DR-F120 Person Document Scanner, Desktop ADF & Flatbed, 2400dpi, 800scans, 50sheet ADF Flatbed, 20ppm B&W, 10ppm Colour, A4 2-sided, USB 2.0, Windows, Software: CaptureOnTouch

Specifications

Overview:

Choose efficiency and versatility with this productive ADF and flatbed scanner. Enjoy an effortless and speedy scanning solution with versatile imageFORMULA DR-F120 scanner, featuring an integrated automatic document feeder and flatbed unit. It's perfect for capturing a wide range of document types in high quality.

Features:

Maximised productivity

Capture various types of document types accurately and efficiently with the DR-F120: a compact all-in-one scanning solution that offers both an automatic document feeder (ADF) and flatbed. You can save yourself valuable time using the 50-sheet document feeder, with its faster 20ppm scanning speeds. The DR-F120 can be relied on to get through your work with a suggested daily volume of up to 800 scans.

Effortless paper handling

The DR-F120 gives you complete flexibility to scan a wide range of materials despite its compact body size and small footprint. The straight-through ADF path accommodates A4-width documents, and media of up to 1,000mm in length. You'll enjoy increased reliability and time-savings when scanning mixed documents as a result of the separation roller in the feeding mechanism. The flatbed scanner is ideal for handling media like books, passports or magazines, and effortlessly captures pages up to legal size. It's equally at home with photos or other thick, thin and delicate documents.

Superior image quality

The DR-F120 delivers superior quality results time after time, due to its 2400dpi scanning, wide range of built-in image enhancement features and Canon's renowned imaging technology. You'll achieve unprecedented colour accuracy that stays true to the original document via the scanner's 3-Dimensional Color Correction function.

Simple, user-friendly operation

Achieve superb results with just a single touch of a button using the Full Auto Mode that automatically applies the best settings

for each scanned image. Built-in tools eliminate blank pages and automatically detect paper size and text orientation; while the automatic deskew feature straightens documents fed at an angle. Frequent tasks can be made even simpler by assigning them to 3 job buttons on the scanner panel.

Bundled software gives you more choice

The DR-F120 offers a simple and intuitive scanning experience using Canon's CaptureOnTouch 3 software. Users can scan, edit and send their documents even more easily with this versatile scanning solution. Its step-by-step icon-based user interface lets users quickly convert their paper documents to multiple file formats (PDF, TIFF, JPEG, BMP, PNG and PowerPoint). CaptureOnTouch is equally capable as a simple document filing solution that lets users scan and create searchable PDF documents - including easy text-based search and retrieval. Cloud plug-ins to SharePoint, SugarSync, OneDrive, Dropbox, Google Drive™ and Evernote are included, ISIS and TWAIN drivers are also provided.

Easy to own and maintain

DR-F120 is easy to maintain because of its user-friendly design. The feed rollers are user-replaceable, which means you won't incur the cost of calling out a service technician. Your costs stay low due to the scanner's high energy-efficiency, using less than 20W in operation.

Specifications	
Product Code	SCCADR-F120
GENERAL PRODUCT INFORMATION	
Type	Desktop Type Flatbed Scanner with ADF
Scanning sensor unit	CMOS CIS 1 Line Sensor
Optical resolution	600dpi/1200dpi
Light source	RGB LED
Scanning side	Front / Back / Duplex
Interface	High speed USB 2.0
Dimensions (WxDxH)	Tray Closed : 469 (W) x 335 (D) x 120 (H) mm
	Tray Opened: 469 (W) x 335 (D) x 151 (H) mm
Weight	Approx. 4.6kg
Power requirements	AC220 - 240V (50/60Hz)
Power consumption	Scanning 19.9W or less, Sleep Mode 2.5W or less, Power Turned Off less than 0.5W
Operating environment	10 - 32.5 degreesC (50 - 90.5 degreesF), Humidity: 20 - 80% RH
Environmental compliance	RoHS and ENERGY STAR
SCANNING SPECIFICATIONS	
Black and White (A4, 200dpi)	ADF: 20ppm / 36ipm
Colour (A4, 200dpi)	ADF: 10ppm / 18ipm
Output resolution	150 x 150dpi, 200 x 200dpi, 240 x 240dpi, 300 x 300dpi, 400 x 400dpi, 600 x 600dpi, 1200 x 1200dpi, 2400 x 2400dpi
