Specifications

Overview:

Canvas React Plus SD memory card For UHS-II 4K/8K professional cinema cameras

Kingstons Canvas React Plus SD card delivers high-performance speeds which are designed to work with industry-standard professional cameras for creatives that shoot 4K/8K videos and high-resolution photos. Designed with the latest UHS-II standards and top-of-the-line U3 and V90 speed classes, the Canvas React Plus SD enables you to shoot sequential burst-mode shots with recording speeds of up to 260MB/s . Execute your creativity without experiencing slow speeds and dropped frames while maximising workflow and efficiency. With transfer speeds of up to 300MB/s, enhance your post-production process and handle heavy workloads with ease while capturing cinematic quality in high resolutions.

Kingstons Canvas React Plus SD card is the go-to performance SD card for content creators making their way in digital filmmaking and professional photography.

- Ultimate speeds to support professional camera use
- Capture 4K/8K Ultra-HD high-speed shots without dropping frames
- Top-of-the-line performance for professional content creators

Features:

Ultimate speeds to support professional camera use
