Specifications

Overview Summary

SanDisk Ultra Slider USB Type-C Flash Drive 128GB

The SanDisk Ultra Slider USB Type-C Flash Drive 128GB is designed for users who need a compact, reliable, and high-performance storage solution. With its retractable USB-C connector, this drive allows seamless file transfers across laptops, tablets, and smartphones equipped with USB-C ports. Its durable design ensures your data remains safe while minimizing wear and tear during daily use.

Enjoy fast USB 3.2 Gen 1 performance that enables quick access to your documents, photos, and videos. The slider mechanism keeps the connector protected when not in use, combining practicality with durability in a sleek and minimal design.

Performance tier:High-speed USB 3.2 Gen 1

Uses:File storage, Document transfer, Media backup, Portable data sharing, USB-C device compatibility

Overview

The SanDisk Ultra Slider USB Type-C Flash Drive offers 128GB of fast, portable storage with USB 3.2 Gen 1 speeds up to 200MB/s, perfect for quickly transferring files across USB-C devices. Its durable, retractable connector design protects against wear and tear, while the keyring hole ensures easy portability. Compact and reliable, it's an ideal solution for on-the-go file storage.

Description

The SanDisk Ultra Slider USB Type-C 128GB is designed to keep your data safe and accessible wherever you go. Its retractable USB-C connector eliminates the need for caps, protecting the interface from dust and damage. The device is compact enough to fit in your pocket, yet durable enough to withstand daily handling.

With USB 3.2 Gen 1 speeds, transferring large files such as high-resolution photos, videos, and work documents becomes a breeze. The drive's minimalistic design ensures it is not only functional but also stylish, making it a perfect companion for students, professionals, and tech enthusiasts.

Features

- Easily move files across your USB Type-C devices with a retractable USB-C connector
- Quickly transfer and access your files with USB 3.2 Gen 1 performance
- Minimal, yet durable design with a retractable connector helps you avoid wear and tear

Content at your fingertips

The versatile USB Type-C(TM) connector lets you easily store more, access more, and transfer more across USB Type-C(TM) phones, tablets, and computers.

More space for your file library

From vacation videos to work presentations and everything in between, with up to 1TB of expansive storage capacity, you get more space to save what's important to you.

The speed you need

Store faster, access faster, and transfer faster. The SanDisk Ultra Slider delivers impressively fast read speeds of up to 400MB/s2 so you can keep moving.

Durability you can count on

A smooth retracting connector helps avoid wear and tear so the drive can last longer and go farther.

Clip it and go

Use the convenient keyring hole to easily clip your SanDisk Ultra Slider USB Type-C(TM) Flash Drive to your keys, bag, and more so it goes where you go.

More security. More peace of mind.

Take control of your personal data with our data recovery software.
