SanDisk Cruzer Dial 32GB Flash Drive

Product Overview

SanDisk Cruzer Dial Flash Drive - 32GB - Plug & Play, USB 2.0, USB Boot Support, Spin-to-Open Compact Design, High-Speed Interface

Specifications

Overview:

Whether you're off to work, school, or on the trip of a lifetime, the reliable Cruzer® Dial USB flash drive lets you take photos, files, and music wherever you go. Turn the dial on the flash drive to open and close the protected connector and all your files are at your fingertips. Plus, with the included SanDisk SecureAccess software2, you get password protection and encryption, so you can keep your private files private while leaving the rest of the drive available for sharing.

Features:

Reliable Storage
With its unique dial to open and close the retractable connector, the Cruzer® Dial USB flash drive offers reliable USB storage and a design that's both handy and handsome.

SanDisk SecureAccess Software Protects Your Privacy
Create a private folder on your drive with SanDisk SecureAccess software. This 128-bit AES encryption software makes it easy to password-protect critical files. Drag and drop files into the vault, and they'll be protected.

Choose the Amount of Storage You Need
The amount of capacity you need depends on the types of files you have, how big they are, and how many there are. The chart above gives you an idea of how many photos, videos, music and office files you can store for each capacity.
