SDSQUNS-016G-GN3MN

Sandisk Ultra Android microSDHC 16GB 80MB/s Class 10

Product Overview

Sandisk Ultra Android microSDHC 16GB 80MB/s Class 10

Specifications

Overview:

Shoot and save more high-quality photos and Full HD video on your Android™ smartphone or tablet with SanDisk Ultra microSD UHS-I Cards. With storage capacities up to 64GB, they're the ideal complement for Android smartphones and tablets. And the SanDisk Memory Zone app, available on the Google Play™ store, makes it easy to view, access, and back up all of your files from your phone's memory in one convenient place. To help your smartphone run at its peak performance, this app can be set to automatically off-load files from your smartphone's internal memory to your memory card.

Features:

- Capacities up to 64GB to capture, carry and keep it all
- Fast transfer speeds of up to 48MB/s
- Featuring Class 10 for Full HD
- Waterproof, X-ray proof, temperature proof, and shockproof.
- SD™ adapter included for compatibility with digital cameras

UP TO 64GB TO CAPTURE, CARRY, AND KEEP IT ALL
Today's mobile devices feature advanced photo and video capabilities, so you can record all of life's exciting moments. SanDisk Ultra microSDHC™ and microSDXC™ UHS-I cards allow you to capture, carry, and keep all those moments at your fingertips. Add storage up to 64GB to eliminate the dilemma of choosing what to keep and what to delete.

Class 10 Speed Rating for Full HD Video Capture
This memory card features Class 10 video rating for high-quality video recording, so you can capture Full HD without dropouts and stuttering. And with up to 64GB of storage space, the cards allow you to store plenty of Full HD video files before you have to transfer files to your computer.

Easily Back Up Your Favorite Media with the SanDisk Memory Zone App
The SanDisk Memory Zone app, available on the Google Play store, makes it easy to view, access, and back up all of your files from your phone's memory in one convenient place. You can set the app to off-load files from your device's internal

memory to your memory card automatically

Durable Design
SanDisk Ultra microSD UHS-I Cards are waterproof, shockproof, x-ray proof and temperature proof5 to protect your memories from life's mishaps. Take your phone or tablet to the snow, the pool, or the desert. Your card will survive, even if your device doesn't.

Add Storage to Android Smartphones and Tablets
SanDisk Ultra microSD UHS-I cards are ideal companions for high-performance Android smartphones and tablets. The cards' additional storage means you can take more photos and videos without worrying about running out of space.
