- Adjustable polling rate (125/250/500/1000 Hz)
- 1.5m braided cable

SUREFIRE HAWK CLAW GAMING MOUSE WITH 7 PROGRAMMABLE BUTTONS

With a highly responsive optical sensor, 6400-DPI resolution, 7 programmable buttons and fully RGB LED lighting, the SureFire Hawk Claw is born ready to play.

LIGHT IT UP

The sleek lines of the SureFire Hawk Claw are accentuated by the colourful RGB lighting to heighten your gaming experience. Fully adjustable and with multiple effects, you can select your favourite lighting modes and save them as pre-sets in the software included.

SUPER FAST

With adjustable DPI of up to 6400, the SureFire Hawk Claw can be set for rapid exploration of wide areas, or slowed right down for ultimate precision. The polling rate of up to 1000 Hz ensures exceptional reactivity of the mouse, reporting its position 1000 times every second with the computer. Importantly, it can be adjusted to four different speeds - 125 Hz, 250 Hz, 500 Hz or 1000 Hz to best suit the game and computer and ensure perfect performance.

PERSONALISED

Configure everything the way you like it. Program the buttons, macros and save your speed settings and light effects with the included advanced software.

System requirements:

ComX Computers

Product Specification Sheet

- Windows 10, 8, 7
- Mac OS X 10.5 or higher
