- Anti-slip rubber base

SUREFIRE 2-LEVEL LAPTOP STAND WITH RGB LIGHTING

With 9 adjustable viewing angles, 2 height levels, 2 phone holders, foldable legs and RGB lighting, the Portus X1 gaming laptop stand positions everything where you need it for optimum game play.

PLAY IN COMFORT

With 9 viewing angles, you can easily adjust the position of your laptop, Mac or tablet to ease you through those long gaming sessions. Foldable stand legs let you raise the platform to two height levels for the perfect eye line while providing storage space for the keyboard and mouse underneath. No more hunching, neck stiffness, back pain, shoulder pain or eye strain - just lots of play in ergonomic comfort.

COOL RGB

Attach the Portus X1 to a USB port and get 6 different LED light modes - plenty of options to set the perfect mood for the game. Ventilation holes in the stand helps to reduce operating temperatures by encouraging airflow, protecting your laptop from overheating which could slow performance.

STRONG AND STABLE

Made from high quality ABS and metal, the Portus X1 can support laptops up to 10kg (22lbs) and 10-17.3 inches in size. Your laptop, Mac or tablet will be held in place by a top bracket and a non-slip rubber pad, preventing it from moving around. And

ComX Computers

Product Specification Sheet

the two mobile phone holders at the back of the stand allows easy access to your comms.

System requirements:

USB-A port (5V/500mA) - for RGB lighting
