Overview:

Zebra Screen Protector Set for TC53 and TC58 Devices

Protect your Zebra TC53 or TC58 mobile barcode scanners with this premium set of three screen protectors. Designed for professionals who rely on their devices daily, these protectors combine scratch resistance and impact protection to maintain the clarity and longevity of your screens. Each protector is crafted to fit perfectly on Zebra TC53, TC58, TC53e, TC58e, and TC53e-RFID models, ensuring seamless use without affecting touchscreen sensitivity or display quality.

Description:

This 3-pack of tempered glass screen protectors provides durable defense against scratches, drops, and everyday wear. Each protector is made from high-quality 9H hardness glass, offering maximum resistance while maintaining full transparency. The package includes a cleaning cloth for easy installation, making it simple to keep your devices looking and performing like new. Ideal for busy warehouses, retail environments, and fieldwork, these protectors deliver reliable protection without compromising usability.

Features:

Durable Scratch and Impact Protection

The tempered glass is specially engineered to absorb shocks and resist scratches from keys, tools, or other everyday hazards. Its 9H surface hardness ensures long-lasting protection, giving your device a shield against accidental bumps and scuffs while preserving touchscreen responsiveness.

Precise Fit for Zebra Devices

Designed exclusively for Zebra TC53, TC58, TC53e, TC58e, and TC53e-RFID models, these protectors align perfectly with the screen, maintaining full touch sensitivity and clarity. The clear design ensures that your device's display remains sharp and vibrant without distortion.

Easy Maintenance and Installation

The set comes with a cleaning cloth to remove dust and fingerprints before application, helping you achieve a smooth, bubble-free installation. Each pack contains three protectors, so you can replace them as needed or keep extras on hand for multiple devices.
