Specifications

Overview:

Inspired by classic, right-handed, and ergonomic styles, CM Storm Mizar is a gaming mouse with a natural contoured grip designed for maximum comfort. Outlast the competition regardless of your hand size, grip style, or handedness. The ergonomic shape encourages a firm and comfortable grip that feels more natural in your hand. It has an Avago 9800 laser sensor and up to 8200 DPI. Its 7 fully programmable buttons are arranged and tuned for intuitive operation.

Features:

- Avago 9800 laser sensor ensures high precision movement
- On-the-fly DPI adjustments - 4 levels and up to 8200 DPI setting
- 7 fully programmable buttons for function and macro assignment
- Dedicated application for button assignment, software adjustment and macro/profile editing
- Multi-color LED illuminated CM Storm logo for customization
- Reinforced rubber pads on both sides ensure higher stability and quick swipe control
- The LED Storm logo has 2 functions on the Mizar. First as a DPI indicator and secondly as a Profile indicator. The LED will indicate for 2 seconds the DPI level and then change to the set profile LED color.
- DPI levels have set LED colors: 1 to 4 is, white, red, green and blue
- Profile LED color can be changed by the software to 7 colors. (red, white, yellow, green, blue, light blue and purple).
