

## SKELETON 240 ARGB

Antec Skeleton 240 ARGB CPU Liquid Cooler Black

### Product Overview

Antec Skeleton 240 ARGB CPU Liquid Cooler Black, 2x PWM ARGB LED fans, 72.29 CFM Airflow, 4 pin connector fan, 3 pin ARGB connector fan, Aluminium & polycarbonate radiator material, 4 pin pump connector, 3 pin LED pump connector, Intel Socket compatibility LGA115x / 1200 / 1700 / 1851 / 20xx, AMD Socket compatibility AM3 / AM4 / AM5

## Specifications

### Overview Summary:

Upgrade your PC with the Antec Skeleton 240 ARGB CPU Liquid Cooler, designed to keep your processor running at optimal temperatures during gaming and intensive workloads. With a 240mm aluminium radiator, dual high-airflow ARGB fans, and broad Intel and AMD socket compatibility, it combines efficient cooling with customizable lighting to enhance your system's aesthetics. Shop now to experience quiet, reliable performance that keeps your PC stable under pressure.

The Antec Skeleton 240 ARGB is built for durability with high-quality materials and long-lasting components, making it a dependable addition to any gaming or content creation setup. Buy now to elevate both the cooling efficiency and visual appeal of your PC build.

**Performance tier:**High

**Uses:**Gaming, content creation, PC cooling, workstation performance, system stability

### Overview:

#### Antec Skeleton 240 ARGB CPU Liquid Cooler - Black

Upgrade your PC cooling with the Antec Skeleton 240 ARGB, designed to deliver superior performance and eye-catching visuals. This 240mm all-in-one liquid cooler keeps your CPU running efficiently under heavy workloads while adding dynamic ARGB lighting to your build.

### Description:

The Antec Skeleton 240 ARGB CPU liquid cooler features a 240mm aluminium radiator, dual 120mm PWM ARGB fans, and a high-performance pump for optimal heat dissipation. With broad Intel and AMD socket compatibility, whisper-quiet operation, and durable construction, it ensures reliable cooling for gamers, content creators, and PC enthusiasts. Its customizable ARGB lighting enhances the visual appeal of any PC setup.

### Features:

#### Dominate High-Performance Gaming and Workloads

Experience peak performance during gaming or intensive tasks with the Antec Skeleton 240 ARGB. Engineered for demanding CPUs, this liquid cooler maintains optimal temperatures, preventing thermal throttling and ensuring consistent system stability.

#### Customizable ARGB Lighting for Stunning Builds

Bring your PC to life with vibrant ARGB lighting effects. Easily personalize the colors and patterns to match your setup, giving your rig a unique, visually striking look. The Skeleton 240 ARGB combines functionality and style in one sleek package.

#### Efficient Heat Management

The 240mm radiator and high-airflow fans provide superior cooling by efficiently dispersing heat. With fans rated at 72.29 CFM and a 50,000-hour lifespan, your CPU remains stable during long gaming sessions or high-intensity workloads.

#### Quiet Performance for Focused Use

The Skeleton 240 ARGB operates at a noise level of no more than 32 dB(A), allowing uninterrupted work or gaming. Enjoy effective cooling without the distraction of loud fan noise.

#### Compatible with Intel and AMD Systems

---

## ComX Computers

### Product Specification Sheet

Installation is simple, thanks to compatibility with a wide range of CPU sockets. Whether your system uses Intel LGA115X, 1200, 1700, 1851, 20XX, or AMD AM3, AM4, AM5 sockets, this cooler is a versatile solution for almost any modern PC build.

### Durable Build for Long-Term Reliability

Constructed with an aluminium radiator, polycarbonate components, and a robust pump, the Antec Skeleton 240 ARGB ensures long-lasting performance. High-density tubing and a copper base plate maximize durability and thermal efficiency.

### Cooling and Design Highlights

- Skeleton-frame pump head design
- High-efficiency pump with large copper base plate
- 240mm radiator with superior fin density
- Dual 120mm PWM ARGB fans
- Elastic, durable high-density tubing
- Compatible with Intel and AMD CPU sockets

### Fan Specifications

- Type: PWM ARGB LED
- Speed: 800 +/- 200 to 2000 +/- 10% RPM
- Airflow: 72.29 CFM
- Noise: <=32 dB(A)
- Air Pressure: 3.28 mmH2O
- Lifespan: 50,000 hours
- Connectors: 4-pin fan, 3-pin ARGB
- Dimensions: 120 x 120 x 25 mm

### Radiator Specifications

- Material: Aluminium & Polycarbonate
- Dimensions: 277 x 120 x 27 mm

### Pump Head Specifications

- Connectors: Pump 4-pin, LED 3-pin
- Water Pressure: 1.4m
- Flow Rate: >=1300 mL/min
- Lifespan: 40,000 hours
- Noise: <=30 dB(A)
- Dimensions: 67.5 x 66 mm

### Socket Compatibility

- Intel: LGA115X / 1200 / 1700 / 1851 / 20XX
- AMD: AM3 / AM4 / AM5

### Weight

- 1150g

### Package Includes

- Antec Skeleton 240 ARGB 240mm AIO Liquid Cooler - Black x1

### Why Choose Antec

Antec has a long-standing reputation for producing reliable and innovative PC components. The Skeleton 240 ARGB exemplifies this commitment by combining exceptional cooling, stunning ARGB aesthetics, and dependable performance. Perfect for gamers and PC enthusiasts in South Africa, it delivers efficient cooling in a compact 240mm design while ensuring

long-term durability and system stability.
