Samsung Galaxy Gear Fit 2 Dark Gray 4Gb Bluetooth Small Smart Watch

Product Overview

Samsung Galaxy Gear Fit 2 Dark Gray 4Gb Bluetooth Small Smart Watch

Specifications

Features:

GPS Sports Band

Finally, a fitness band you can run with while your phone stays at home. The built-in GPS tracks your running route, distance and speed in real time with precision and dedication to help you go farther, better.

In a heartbeat

Help get the most out of every workout with Gear Fit2's highly accurate heart rate monitor.* Check when you're in the vigorous intensity zone to step up the intensity.

Tracking smarts

Get the right kind of stats right away with auto activity tracking. There's no need to tell your Gear Fit2 whether you're walking or on the rowing machine. It just knows.

Game face on

Apply the Watch Face to have your current stats displayed in a most glanceable manner. Choose from a great selection of designs.

Fitness Widge

It's motivation around the clock with Fitness widgets. They're designed to get you in a fitness frame of mind and to stay there.

It's a fit with style

Gear Fit2's curved display wraps itself around your wrist. Its look is sleek in an unobtrusive way. It's the one constant of your style, day and night.

Light comfort

For a fitness band that packs a healthy punch in functionality, Gear Fit2 is delightfully light and easy to wear.

Be fit together

ComX Computers

Product Specification Sheet

Friendly competition is a great motivator. Rise to the challenge. See who takes the most steps, and go farther together.

Compatibility

Gear Fit2 works with you every kilometre, every heartbeat, every step of the way. It also works with a wide range of compatible smartphones.
