

SNOM-A100M

Snom A100 Monaural Headset

Product Overview

Snom A100 Monaural Headset - Wideband - Noise Cancellation

Specifications

Overview:

The Snom A100M is a wired monaural headset de-signed for maximum comfort and performance. Its lightweight and ergonomic design means it can be worn comfortably all day. The wideband technology ensures high-definition sound and crystal-clear communication. In addition the flexible boom and the passive noise cancelling microphone guarantee clear voice trans-mission. With the various Quick Release (QR) adapters avail-able this headset is perfect for use in multiple sce-narios.

Features:

- Superior wideband sound thanks to optimised speaker tuning
- 300 degrees flexible boom
- Passive noise cancelling microphone
- Quick Release (QR) adapters for different connectors
