

SNOM-ACUSB

Snom USB Quick Release Adapter

Product Overview

Snom USB Quick Release Adapter for A100M, A100D and PC - Integrated volume and call buttons.

Specifications

Overview:

The Snom ACUSB adapter cable connects A100 M/D headsets with all Snom landline telephones with USB ports. The integrated buttons to accept and end calls, mute function and volume control allow for a more efficient use of the telephone. Plug & Play function: just plug it in to use.

Features:

- USB connection: Plug & Play for simple and intuitive use
- Easily accessible call control with accept/end
- Call, mute, and volume control functions
- Up to 48 kHz sampling rate; 16 bit resolution
- Audio and voice DSP, support for EQ and AGC
- LED indicators for accept and mute functions
- Compatible with Snom landline telephones and PC (Windows, Mac OS, Linux) with USB port
- Easy disconnection thanks to the Quick Release (QR) function without interrupting an ongoing call
- Cable length: 1.7m
