## Overview:

**Snug Square Digital Powerbank - 20000mAh**
Stay powered throughout your day with the Snug Square Digital Powerbank. Designed for convenience and efficiency, this portable charger allows you to keep your devices charged wherever you go. Its compact square design and high 20000mAh capacity make it ideal for travel, work, or everyday use, ensuring your devices stay ready when you need them most.

## Description:

The Snug Square Digital Powerbank provides reliable charging for multiple devices at the same time. Equipped with two USB Type-A ports and one USB Type-C port, it can charge two devices simultaneously. The digital display shows precise battery levels, keeping you informed of remaining power. A USB-A to USB-C cable is included for immediate use, making it a practical solution for smartphones, tablets, and other devices.

## Features:

**Digital Display for Accurate Power Monitoring**
Keep track of your battery status at a glance with the built-in digital power level indicator. No more guessing when your powerbank needs recharging.

**Simultaneous Charging for Multiple Devices**
Charge two devices at once without slowing down your charging speed. Ideal for those who need to power a phone and tablet or share power with a friend on the go.

**Portable Design for Everyday Use**
Compact and lightweight, the Snug Powerbank easily fits in your bag or backpack, making it perfect for travel, commuting, or outdoor activities.

**Easy Connectivity with USB Ports**
With two USB-A ports and a USB-C port, this powerbank supports a wide range of devices. The included USB-A to USB-C cable ensures compatibility and convenience right out of the box.
