Sony ICF-C218B Large Display AM/FM Clock Radio

## Product Overview

Sony ICF-C218B Large Display AM/FM Clock Radio, Self Power Back-Up (Super Capacity Chip) Extendable Snooze Single Alarm.

## Specifications

### Overview

Great for the kitchen or bedroom, the black Sony ICF-C218B Large Display AM/FM Clock Radio features an easy-to-read 0.9" LED display that you can read even from across the room. Snooze and sleep timers for dreaming convenience.

### Features

**ATS (Automatic Time Set)**
The correct EST (Eastern Standard Time) has been preset at the factory so just plug it in and adjust the time zone if necessary. In the case of a power interruption, the built-in Lithium battery maintains the correct time so when the power returns you don't have to re-set the clock.

**Battery Back-up with Installed Lithium Battery**
Maintains the clock and alarm operation in the event of a blackout or other power failure.

**AM/FM Analog Tuner**
Choose from the wide variety of radio, talk and music programming.

**ADST (Automatic Daylight Savings Time Adjustment)**
When Daylight Savings Time changes take place in the Spring and Fall each year, there is no need to adjust the clock because the built in calendar recognizes the dates and automatically makes the proper time adjustment.

**Highly Visible 0.9" Green LED**
Easily viewable, under a variety of lighting conditions.

**Extendable Snooze**
Gives you the freedom to easily choose your own snooze time instead of being held captive by the short time intervals of other snooze timers. Each press of the snooze button add an additional 10 minutes to your total snooze time for up to a full hour of

uninterrupted sleep.

**Built-in Calendar**
View the date and year on your clock radio.

**Single Alarm with Alarm Indicator**
Confirms that the alarm has been activated to turn on at the pre-set time.

**Space Saving Appealing Design**
Attractive, modern design compliments any decor
