Creative sbs-A520 speaker black

Product Overview

Creative sbs-A520 speaker, 5.1, 37w (12 + 5x5) RMS, with iFP + phase cap design, ported MDF wood sub woofer with 5" driver, wired remote control with on/off + volume control + bass - black

Specifications

Overview:

Give your games, music and movies a much-needed boost with the Creative A520 5.1 speaker system. Given their contemporary style and ease of use, they are the perfect choice for immersive multi-channel surround sound, bringing to you all the benefits of Creative's leadership in audio technology. The five satellites make use of the two-inch drivers for crisp dialogue and impressive effects, while the large subwoofer with a flared port tube and separate bass control provides you with the freedom to adjust your bass level and deliver the extra impact and oomph for all of your entertainment needs. The system also includes a wired remote for easy-to-reach and convenient control.
