Specifications

Overview:
Immerse yourself in a gaming experience that is truly realistic with the Inspire T6200 5.1 speaker system. Powered by Creative's CMSS Upmix technology, expect exceptional audio and unparalleled performance from this speaker system. With 70 Watts of system power from five speakers and a powerful subwoofer, the Inspire T6200 reproduces audio so impactful, it will blow you away!

Features:
Creative dual cone drivers
The high-performance dual cone drivers deliver balanced audio playback and outstanding highs, mids and loudness for all your entertainment needs.

18W center speaker
Enjoy clear dialogue in your games or movies with the powerful centre speaker. It also clamps securely onto most LCD monitors, giving you that coveted realistic audio experience.

Powerful subwoofer
The 22W ported subwoofer with 5.25" long-throw drivers with adjustable bass control delivers realistic and explosive bass. Perfect for dynamic gaming action.

CMSS Upmix technology
Simply slide the "UPMIX" switch and you'll transform a stereo source to an immersive 5.1 soundfield.

Flexible layout options
Get the perfect speaker system for a place with limited space. The design of the speakers allows you to stack the rear satellite speakers on top of the front satellites and enjoy frontal surround sound.

Comprehensive wired remote control

Plug in your headset for an interactive gaming experience, voice communications or private listening. The wired remote also allows you to control the volume and power on/off the speaker system.
