Specifications

Features:

Get a full year of Under Armour™ premium apps for free

With Under Armour Connected Fitness on your Samsung Gear, you now have more fitness tracking options at your fingertips. And when you download the MapMyRun, MyFitnessPal, or Endomondo apps on your Samsung Gear, you will receive one year of premium app membership for free, with additional tools to help you reach your goals.

About This Product

Stay in touch, without reaching for your phone, with the smartwatch that's engineered for adventure. With the Gear S3, you can pay right from your wrist, track your location, and withstand any weather.

Never miss a moment.

The Gear S3 is Bluetooth connected¹ so you can receive texts, emails, and alerts without reaching for your phone. With a built-in speaker and microphone, you can also make and answer calls hands-free.

Pay with your watch.

With Samsung Pay on your Gear S3, you can easily make payments with your watch almost anywhere you can swipe or tap a credit card-even without your phone or wallet.

Get out there.

Whether you're off-roading or exploring a new city, the built-in GPS tracks your activity and makes it easy to share your location.

Designed for the elements

The military-grade Gear S3 is tough enough to handle the elements. It resists water, dust, extreme temperatures, and the occasional drop so you can venture out with confidence.

ComX Computers

Product Specification Sheet

Just turn the bezel.

Rotate the distinctive steel bezel to easily access apps and notifications so you can instantly check texts, updates, and more.

Go for days

Go nonstop for days on a single charge. When it's time to recharge, the wireless charger lets you power up without slowing down.

Track your fitness.

With the built-in S Health app, track your steps, monitor your heart rate, and more. Set goals, post results, and check leaderboards to see how you stack up.

Apps at your command

Access the apps you use every day on your Gear S3. Catch a ride, check scores, stream music, and more.

Tailored to you

Make the Gear S3 your own. Customize your watch face, choosing from thousands of striking colors and designs. Plus easily swap out the standard 22mm band.

Compatible with Android and iOS

The Gear S3 is compatible with both Android and iOS smartphones.
