Specifications

Features:

Exquisitely Crafted, Captivatingly Brilliant

Inspired by the works of glass blowers and artisan metalsmiths, the Samsung Galaxy S6 represents a unique fusion of glass molding and metal sculpturing techniques. Make a breathtaking design statement with its beautiful curves and radiant glass surfaces that reflect a wide spectrum of dazzling colours.

Clearer Pictures, Improved Aperture

Both the Samsung Galaxy S6's front and rear cameras feature higher resolution and F1.9 aperture, allowing you to take clearer images wherever you are. Press the home button twice to go straight into camera mode - and never miss an important moment again.

Fast charging

Never worry about your battery again thanks to the Samsung Galaxy S6's lightning-fast charging speed - up to 1.5 times faster than previous models. Its wireless charging compatibility means you can simply pop the Samsung Galaxy S6 onto a compatible charging pad for a wire-free recharge.

Multitasking to the next level

With super-fast boot up and app launching, the Samsung Galaxy S6 gives you unbeatable results and improved energy efficiency. Its 64-bit architecture, LPDDR4 and advanced GPU delivers truly powerful performance, letting you take multitasking and multimedia functions to the next level.

Dazzling Display

ComX Computers

Product Specification Sheet

Equipped with a 5.1" Quad HD (2560 x 1440) Super AMOLED display, the Samsung Galaxy S6 provides an impeccably sharp viewing experience, and its adaptive display provides unbeatable clarity both indoors and outside. Improved brightness levels and pixel density let you take superb images wherever you are.

Enhanced Security

Enjoy unprecedented peace of mind with the Samsung Galaxy S6's security features including the powerful KNOX solution and a fingerprint scanner.

Smart Manager

The new Smart Manager application lets you check an array of useful information on battery status, storage, RAM, security and more at a glance.
