Specifications

Features:

Be Tough. Be Ready.

For everything NAS, there's IronWolf and IronWolf Pro - always on, always working. Built for multi-user environments and high workload rates, these NAS hard drives are enhanced with AgileArray technology for optimal reliability and system scalability.

Built for Work. Built for Performance.

Multiple users can confidently upload and download data on a NAS system populated with IronWolf hard drives. All IronWolf hard drives are equipped with RV sensors to maintain performance in multi-bay NAS enclosures.

Support Your Business

A small business needs data that can thrive. IronWolf NAS hard drives can handle the vibrations and high workload rates of a high data network within a multi-RAID environment.

Be Creative. Keep Growing.

IronWolf and IronWolf Pro help keep you on schedule with 24x7 remote access, backup, and file sharing. So keep doing what you do best. These drives will keep pace with your growing data storage requirements.
