STCT200

Seagate Business Storage 2-Bay Unpopulated NAS

Product Overview

Seagate 2 Bay Network Attached Storage Enclosure - Gigabit Ethernet, Built in USB 3.0, USM Support, RAID 0/1 Support, Full system PC/Mac backup, NAS-to-NAS full and incremental backup, DLNA Support, Active Directory, Encryption, Access files remotely with iOS, Android App - Best for Up to 20 Users - Recommended for use with Seagate Barracuda Desktop Hard Drives *No drives included*

Specifications

Features:

- Collaborate any time, anywhere.
- Create a private cloud with Seagate Business Storage 2-Bay NAS. It helps protect your business-critical data and centralises your files in a single location you can access from anywhere.
- Easy to set up
- Upload and download files with free apps for iPhone®, iPad® and Android® devices
- Full-system, automatic back up for PCs, plus Time Machine® support for Mac® computers
- Customise performance and data redundancy with RAID 0 and 1 configuration options*
- Centralise your storage and backups.
- Whether you work alone or in an organisation, 2 -Bay NAS makes it easy to protect all your business files on a single device -even if you're not an IT pro.
- Automatically make incremental and full-system backups of network-connected PCs
- Compatible with Time Machine® software for Mac® computers
- Powerful remote access.
- You can use Internet-connected PC and Mac computers to download and upload files remotely, and that's just the beginning. The 2-Bay NAS is your private, customisable cloud storage solution-with no monthly fees.
- Download and upload files with free apps for iPhone, iPad and Android devices
- Easy-to-use web interface for securely sharing files with partners, customers and friends
- Always-on data security
- 2-Bay NAS delivers US government-grade hardware encryption technology that helps protect your all-important data where it lives: on the hard drive.
- When you access files remotely, the 2-bay NAS also helps protect your data-in-flight with SSL/TLS, the same technology that secures your information when banking online.

- RAID-enabled for additional protection.
- 2-Bay NAS can be easily configured in RAID 1 to automatically mirror your files on both drives. If one drive fails, your business-critical data remains intact and accessible.
- Individual drives are also hot-swappable, allowing you to replace or upgrade a drive without turning off the device.
- Grab your files and go!
- A built-in Universal Storage Module (USM™) slot lets you transfer files to and from USM-compatible portable drives at speeds up to 3x faster than USB 3.0-all at the touch of a button.
- Ground-breaking USM technology is excellent for creating cost-effective off-site backups and for quickly backing up large files brought back from the field.
- Enables NAS-to-NAS off-site backups.
- Purchasing a second 2-Bay NAS allows you to duplicate files and folders from one NAS to the other over the Internet, so you can easily get additional off-site protection against theft and natural disasters.
- State-of-the-art media streaming.
- At home or in the office, the 2-Bay NAS can stream your films, photos and music to PC and Mac computers as well as DLNA-certified devices. Now you can easily enjoy your media library on Blu-ray players, game consoles, Internet TVs and more.

Specifications	
Product Code	STCT200
Hard drive	
Number of hard drives supported*	2
RAID levels	1
Hard drive size	88.9 mm (3.5 ")
Supported hard disk drive interfaces*	Serial ATA, Serial ATA II, Serial ATA III
RAID support*	Yes
Networking	
Ethernet LAN connection*	yes
Ethernet LAN data transfer rates	10, 100, 1000 Mbit/s
Wireless LAN connection*	No
Ports & interfaces	
Ethernet LAN (RJ-45) ports quantity*	1
USB 3.0 ports quantity*	1
Security	
Security algorithms supported	SSL/TLS
Technical details	
Chassis type *	Mini Tower

Colour of product *	Black
Weight & dimensions	
Width	155 mm
Depth	275 mm
Height	310 mm
Weight	3.73 kg
System requirements	
Windows operating systems supported	Yes
Mac operating systems supported	Yes
Packaging data	
Cables included	AC, LAN (RJ-45)
