

STLC12000402

Seagate STLC12000402 One Touch Hub 12TB 3.5" USB 3.0 External Hard Disk Drive

Product Overview

Seagate STLC12000402 One Touch Hub 12TB; 3.5"; USB 3.0; External HDD Black

Specifications

Overview summary:

The **Seagate One Touch Hub 12TB External Hard Drive (STLC12000402)** offers a massive storage capacity combined with fast, reliable performance-ideal for creative professionals, content creators, and data-heavy users. With a sleek black 3.5" desktop design, this external HDD provides 12TB of high-capacity storage for photos, videos, backups, and large project files. It features USB 3.0 connectivity for high-speed file transfers and is compatible with both Windows and macOS out of the box.

Designed for convenience, the One Touch Hub includes a **front-facing USB-C and USB-A port**, allowing you to connect and charge your devices directly from the drive. Seagate's bundled software includes backup and sync tools, password protection with hardware encryption, and a free subscription to Mylio Photos and Adobe CC (limited-time offer). Whether you're looking to expand your workstation storage or safeguard your digital content, the **Seagate STLC12000402 One Touch Hub 12TB** delivers professional-grade reliability, flexibility, and ease of use in a compact external solution.

Overview:

The Seagate One Touch Hub is a high-capacity 3.5" external HDD with integrated USB-A and USB-C ports to charge and connect peripherals-even when your computer is off. It's designed for seamless backup, cross-platform compatibility (Windows/macOS), and enhanced security with 256-bit AES hardware encryption and password protection. Includes Rescue recovery services and bundled software subscriptions.

Features:

- 12 TB high-capacity storage for massive file libraries
- Built-in USB-A & USB-C hub to charge or connect devices while idle
- Password protection + 256-bit AES hardware encryption for secure data
- Plug-and-play compatibility with Windows and macOS (exFAT out of the box; requires reformatting for Time Machine)
- Seagate Toolkit software for scheduling backups, folder mirroring, cloning, etc.

ComX Computers
