Performance tier:Mid-range

Uses:Fitness tracking, Heart rate monitoring, SpO2 monitoring, Stress tracking, Bluetooth calling, Daily wear, Sports modes

Overview:

Honor Choice Watch 2i 1.85 inch AMOLED Smart Watch SW2I

The Honor Choice Watch 2i (Model KCH-WB01, SKU SW2I) is a square-shaped, budget-friendly smartwatch designed for users who want a strong balance of health tracking, smart connectivity and long battery performance. It features a high-resolution AMOLED display, Bluetooth calling support, and continuous wellness monitoring in a lightweight, everyday wearable form factor.

Description:

The Honor Choice Watch 2i delivers a practical smartwatch experience focused on daily usability and health insight. It combines a vivid AMOLED screen with efficient power management and a full suite of fitness and wellness tracking tools. With built-in calling features, extended battery life and broad sports tracking support, it is suited for both active users and general day-to-day smart assistance.

Features:

AMOLED Display and Visual Experience

The watch is equipped with a 1.85 inch AMOLED colour display that delivers sharp clarity and strong contrast. With a resolution of 390 x 450 and 322 ppi, visuals remain crisp for notifications, fitness data and watch faces. The 75 percent screen-to-body ratio provides a modern, edge-efficient viewing area.

- 1.85 inch AMOLED panel
- 390 x 450 resolution
- 322 ppi pixel density
- 75 percent screen-to-body ratio

Battery Performance and Usage Time

A 330mAh battery supports extended usage without frequent charging. The watch is designed to handle different usage patterns, from light daily interaction to always-on display usage.

- Up to 14 days typical usage
- Around 10 days heavy usage
- Approximately 5 days with always-on display enabled

Bluetooth Calling and Smart Connectivity

With integrated microphone and speaker hardware, the smartwatch supports Bluetooth calling directly from the wrist. Users can make and receive calls and manage quick responses without reaching for a phone. The SKU SW2I integrates seamlessly with Android and iOS devices through the HONOR Health app.

Key connectivity functions include:

- Bluetooth calling with built-in mic and speaker
- Quick message responses
- Music control from the wrist
- SOS emergency call support

Health and Wellness Tracking

The watch provides continuous 24/7 monitoring to help users track key health indicators throughout the day and night. It supports heart rate tracking, blood oxygen measurement and stress monitoring, along with sleep analysis including REM stages.

- 24/7 heart rate monitoring
- SpO2 blood oxygen tracking
- Stress level monitoring
- Sleep tracking with REM analysis

Fitness Modes and Activity Support

Designed for active lifestyles, the device supports over 109 sports modes and includes automatic detection for select common exercises. This makes it suitable for both structured workouts and general activity tracking.

- 109+ sports modes supported
- Automatic recognition for 5 exercise types including running and rowing
- Activity tracking for indoor and outdoor workouts

Build Quality and Water Resistance

The smartwatch features a metallic-textured middle frame with a physical crown and button for navigation. It is rated IP68 and 1 ATM, offering protection for everyday exposure to water and dust.

- IP68 and 1 ATM water resistance (around 10 meters)
- Suitable for rain and daily hand washing
- Not recommended for high-speed water sports or hot showers
- Lightweight design at 26g without strap

Compatibility and Smart Functions

The watch works with both Android and iOS devices via the HONOR Health application. It supports a range of smart features designed to enhance daily convenience and personalisation.

Additional functions include:

- Customisable watch faces
- Music playback control
- Advanced sleep tracking insights
- Smart alerts and notifications

Included Items

The package contains all essentials required to start using the device immediately.

- 1 x Smartwatch
- 1 x Magnetic charging cable
- 1 x User manual
