SWD-10017-GU10R

Switched 3W GU10 Rechargeable LED Light Bulb - Cool White

Product Overview

Switched 3W GU10 Rechargeable LED Light Bulb - Cool White. luminous flux: 240 lm (AC), 52 lm (battery backup). Auto-dimming over 2-hour runtime. 4-5 hour charge time. Great indoor down-light, offers higher brightness than warm white. Load-shedding and power outages are covered with up to 2 hours of battery backup. GU10 220Vac connector. Replaces a 25W halogen down-light, offering the same level of brightness.

Specifications

Overview summary:

The Switched 3W GU10 Rechargeable LED Bulb in Cool White offers backup lighting during loadshedding or power outages. With fast charging and integrated digital dimming, it delivers reliable illumination for up to 2 hours on battery power.

Easy to install in standard GU10 fixtures, this bulb ensures energy-efficient lighting with emergency readiness - ideal for homes, offices, and utility areas.

LED light tier: Rechargeable Emergency

Uses: Indoor backup lighting, GU10 downlights, emergency illumination

Electrical Specifications

- Power consumption: 3W
- Input voltage: 220V - 240V AC
- Frequency: 50Hz
- Driver type: Integrated

Light Output and Quality

- Luminous flux: 240 lm (AC), 52 lm (battery backup)
- Beam angle: Not specified
- Color temperature: Cool White
- CRI: Not specified
- Flicker-free: Not specified

Aesthetic and Color Options

- Light color: Cool White
- Body color: White

Mechanical and Construction

- Size/Dimensions: approx 5 cm x 5 cm x 6 cm
- Weight: 60 g
- Material: Plastic/polymer housing
- Mounting type: GU10 base
- Adjustability: Fixed
- Finish: Matte

Environmental Ratings

- IP rating: Indoor use (not rated IP65)
- Operating temperature: Not specified

Control and Smart Features

- Dimmable: Yes - digital dimming during battery mode
- Smart control: No
- Remote control included: No
- Motion sensor: No
- Daylight sensor: No
- Timer/Scheduling: Auto-dimming over 2-hour runtime

Connection and Installation

- Connection type: GU10 base (plug-and-play)
- Wiring included: N/A
- Cable length: N/A

Durability and Lifetime

- Backup runtime: 2 hours on battery
- Charge time: 4 - 5 hours
- Battery type: Polymer rechargeable cell

Certifications and Standards

- Certifications: Not specified
- Energy class: Not rated

Packaging and Applications

- Included in the box: 1 x Switched 3W GU10 Rechargeable LED Bulb - Cool White; Instruction manual
- Recommended usage: Indoor GU10 fittings, emergency backup lighting
- Series name: Switched GU10 Rechargeable
- Style: Functional emergency bulb

How bright is this light?

Halogen

A 240 lumen cool white LED is roughly equivalent in brightness to a 25-watt halogen.

Lumens to Watts - comparison table

Lumens	LED (W)	Incandescent (W)	Halogen (W)	CFL (W)	Metal Halide (W)
100	1-2	15	10	3-4	10-15
200	2-4	25	18	5-6	20-25
