Lexmark T65x High Yield Return Program Print Cartridge

Product Overview

Lexmark T650, T652, T654 High Yield Return Program Print Cartridge

Specifications

Features:

Average cartridge yield 25,000 standard pages. Declared yield value in accordance with iso/iec 19752. This print cartridge comes with oiled fuser wipers for customers that do extensive label printing.

High yield
A smart value. Change cartridges less, save more per print, and reduce your environmental footprint.

Technology
Outstanding results page after page, year after year. Superior lexmark design means precision pairing between printer and cartridge for value, quality and environmental responsibility you can count on.

Lexmark cartridge collection programme
Going green has never been easier. Recycle all your used lexmark supplies by letting us take care of the details. It's simple, smart and always free.

Lexmark return programme cartridges
Lexmark return programme cartridges are patented print cartridges sold at a discount in exchange for the customer's agreement to the license requirement that the cartridges will be used only once and returned only to lexmark for remanufacturing and/or recycling. The return programme cartridges are licensed for single use only and are designed to stop working after the delivery of a fixed amount of toner. A variable amount of toner will remain in the cartridge when replacement is required. In addition, the cartridge is designed to automatically update the memory in your printer to protect against the introduction of counterfeit and/or unauthorised third-party cartridges. If the customer does not accept these terms,

Label applications
Includes oiled fuser wiper for extensive label printing.
