

TAPO-H100

TP-Link TAPO H100 Smart IoT Hub with Chime

Product Overview

TP-Link TAPO H100 Smart IoT Hub with Chime, SPEC: 2.4 GHz Wi-Fi Networking, 868 MHz for Devices, 100-240 V~, 50/60 Hz, Plug-in, FEATURE: Remote Control with Tapo App, 90dB Adjustable Audio Alarm, 19 Ringtones, up to 64 Devices, Home/Away/Sleep Mode, Mute button, Easy

Specifications

Features:

- Reliable Long-Range Connections - Keep sub-devices connected at all times through the robust wireless network.
- Low-Power Wireless Protocol - Make connected devices work energy-efficiently, promising longer standby time.
- Smart Alarm - Coordinates with Tapo smart sensors to warn of danger or deter intruders.
- Smart Doorbell - Pair it with Tapo Smart Button to build your smart doorbell system, plus 19 ringtones to choose from.
- Tapo Ecology - Connect with up to 64 smart devices for an immersive and comprehensive smart home experience.

A Low-Power Way to Connect Everything

The Tapo Hub is the heart of your Tapo smart home, connecting devices like smart sensors, switches and buttons, using an ultra-low power wireless protocol. This technology helps battery-powered devices last up to 10 times longer.

Reliable Long-Range Connections

The Tapo Hub transmits signals on a less-crowded, lower frequency broadband, allowing it to reliably reach devices in every corner of your house without interference.

Smart Actions with Sensors, Switches & Buttons

With Tapo Smart Hub H100, you can trigger a Shortcut or control Tapo devices (such as smart plugs, smart lights and smart switches) based on sensor detection or with a button press.

Protect Your Home Day and Night

Working with Tapo motion sensors, door/window sensors, and more, the Tapo Hub can sound a loud siren (up to 90 dB) to warn of danger or deter intruders.

Keep Your Home Comfy at All Times

Working with Tapo environmental sensors, the Tapo Hub helps to keep an eye on your home's comfort levels. You will receive an instant hub alarm when water leaks are detected or when temperature and humidity levels fall outside your customized

ranges.

19 Ringtones

Choose from a variety of ringtones to find the perfect chime for your customized scenarios.

Adjustable Sound

Adjust the volume to 3 different levels (Loud, Normal, Quiet) to suit your needs.

All Devices in One Hub

Each Tapo Hub can connect up to 64 Tapo devices throughout your home. Build and manage your smart home ecosystem with ease.
