TAPO-L900-5

TP-Link Tapo L900-5 Smart Wi-Fi Light Strip

Product Overview

TP-Link Tapo L900-5 Smart Wi-Fi Light Strip

Specifications

Features:

- Connect It Your Way - Use it with your smart assistant, a hub, or connect directly to the Tapo App. Control the Light Strip however you want.
- Wind Down at Night - Install the Light Strip to relax your body and mind through a mood-setting atmosphere.
- Voice Control - Use simple voice commands to control your light strip with Alexa or Google Assistant.
- No Hub Required - Connect to your home's secure Wi-Fi network. No need for a hub or extra equipment.
- Flexible Installation - Cut it to whatever length you want and attach it to any surface with the 3Madhesive.
- Preset for Convenience - Found your favourite lighting for watching movies? Save it as a setting you can simply select for future movie nights.
- Schedule & Timer - Create schedules and count plans to turn on/off with the brightness/colour you set.
- Away Mode - Simulate someone being at home to frighten away, unwanted visitors.

The Brightest Bulbs
Our LED beads are 20% brighter than anyone else. They are built to last for over five and a half years of constant use, more than twice as long as our competitors.

Colour Your Life
Fill any room of your house with over 16 million vibrant colours, warm white, or cool daylight to choose from as the mood takes you. Once you work out how you want your lighting set up, save it, schedule it, and you're ready to go! Set for your times and you can enjoy it.

Colour Your Digital Life
Automate the individual strips with different colours, timers, brightnesses and warmth. Control them anywhere and anytime within the Tapo app.

Bounce to the music and the lights
Let your music overtake you as the lights reflect your mood. Pick up sound through your mobile device and set up the perfect party atmosphere*. The lights will sync to the frequency and the beat, creating a mini-festival in your own home.

Control With Your Voice
The Smart Wi-Fi Light Strip reacts to your preferred smart home platforms, including Google Assistant, Amazon Alexa, and Apple Home.

Direct Control
All Tapo Smart Wi-Fi Light Strips let you connect directly to the Tapo App. Take full advantage of all the intelligent features you demand.

Automatic Control
Let the light strip guide you through the night. Connect to the Tapo Sensor* and glow softly as you get up in the night. It will turn itself off after a short period without disturbing others.

Tactical Control
Use the Controller Box to manipulate the Light Strip. Turn it on or off, reset the Light Strip, and change the current colours.

Family-Centric Lighting
Tapo ensures that your family lives a safe and secure life with our electrical products. Highly durable light strip designed for better heat dissipation, increased toughness and more folds than any other LED light strip. Each LED bead operates independently of the next, ensuring safe use under all circumstances. Our lights are designed with a low voltage that does not flicker or emit blue light. Your family can be comfortable living safely with our lights.

Set the Length. Stick in Place

- Cut to length - fit for purpose
- Ultimate flexibility and highly durable, infinite options for placement
- 3M Peel-and-Stick adhesive provides highly flexible installation

Setup with Ease
Configure your Light Strips within the Tapo App within minutes

Specifications	
Product Code	TAPO-L900-5
GENERAL	
Product Dimensions	5000x10x1.6 mm
Certification	CE
Operating Temperature	-15 ºC~ 40 ºC
Operating Humidity	10%~90% RH, Non-condensing
Weight	57 g
Packaging Dimensions	144.5x68.5x119.5 mm
Power Consumption	13.5 W
Communication	
Wi-Fi Protocol	IEEE 802.11 b/g/n

Wi-Fi Frequency	2.4 GHz
Wi-Fi Requirements	Secured home Wi-Fi connection
Working Status	
Input voltage	220-240 V, 50/60 Hz
Input Power (Actual power draw in Watts)	13.5 W
Dimmable	1%-100% (via app and cloud only)
