Smart Control from your Mobile Device

Manage your connected devices from anywhere with the Tapo app. Its designed to support your lifestyle and keep your family safe.

Voice Control

Hands-free convenience, better than ever.

Save Money and Energy

Monitor power consumption and energy spend via the Tapo App.

Save smarter by managing your appliances for when electricity is cheaper.

Live Smarter with Smart Schedules

Schedules and Timers let you live a more intelligent, convenient, and environmentally friendly life.

Have connected devices on and off only when you need them.

- Turn off the phone charger after 2 hours. Save energy and protect devices even when you fall asleep
- Switch on the fan at 18:10 .Have a lovely cool room before you get home.
- Switch off the lamp at 22:00 .Get ready for bed and live a healthy lifestyle.

Group Devices For One-Tap Control

Combine several devices under one group, so your smart plug works with other Tapo smart devices. Turn them all on or off with one action - no need for repeated actions anymore.

Mighty Features and Compact Size

Tapo P110 is built small to leave adjacent sockets open, making it convenient for daily use.

Power-Off Memory

No Power? No Internet Connection? No Worries! Your routines will continue.

Default Status

Once the power or connection returns, your Tapo smart plug can take on a specific power status:

- Previous power status (default)
- Off (ideal for the heater)
- On

Guaranteed Safety

- Flame-retardant material UL94-V0 PC keeps you and your family safe.
- Child-proof and tamper-proof design ensures no accidental electric shocks.
- Nickel plated, anti-rust design provides more durable design and stable connections.
- Under strict quality inspection by CE, UKCA certifications.
- Fireproof Material
- Childproof Outlet

ComX Computers

Share to Families

Not limited to single control, family members can directly share management permissions with each other, saving time and enhancing user-friendliness.

Safety At Home, While Away

Away Mode simulates someone being at home. Deter thieves and those of ill intent with plugged-in devices turning on and off at scheduled times.

Enjoy Easy, Friendly Setup and Use

Unique onboarding technology makes setup steps simpler for faster connection (within 20 seconds),
