Specifications

Overview:

The Targus Toploading Roller is the ideal case to transport luggage and notebooks. The case is designed to fit notebooks with 15" - 15.6" screens, and is constructed with a durable 840D nylon fabric. It also contains a padded notebook compartment with padded honeycomb frame which provides protection for your notebook. The roller comes with a functional zip down workstation which includes a business card holder, 3 pen loops, key clip, multiple accessory pockets and a padded protective notebook sleeve with an elastic security strap and locked zippers for added protection. This case is ideal for the avid traveler and includes two removable zippered mesh accessory pockets for additional storage as well as a 40" locking trolley handle and durable urethane wheels for a smooth roll. The ergonomic design of this case makes it easy to transport. Dual semi structured handles allow for maximum distribution of case weight and the padded shoulder strap makes it comfortable to hand carry. The telescopic handle and in-line skate wheels make for a smooth rolling experience.
