Features:

Made from recyclable materials on the inside and out. Using fabric woven from 26 recycled plastic water bottles, the 15.6" Cypress Hero Backpack with EcoSmart is thoughtfully designed to protect your work essentials while also protecting the environment.

Built to fit 15.6" laptops, this EcoSmart bag features a dedicated padded compartment to cradle your laptop, plus boasts a large main compartment, a secondary compartment with a workstation, and a convenient front quick-stash pocket to provide you enough room for your everyday essentials.

Its smart design also features adjustable, ergonomic shoulder straps and a padded back panel to ensure a comfortable fit, as well as a pass-through trolley strap for easy transport on luggage.

about how Targus is helping to keep plastic out of landfill - click here .

The Bottle: Reborn
This bag was designed with the environment in mind. By using GRS-certified recycled materials, 26 plastic bottles were kept out of our waterways and landfills, shredded into small flakes, re-polymerised into plastic chips, then heated and spun into yarn that was woven, and sewn into the fabric of this EcoSmart bag.

Ergonomic Comfort
Designed for your everyday commute, weve made the Cypress Hero Backpack with EcoSmart comfortable to carry with airflow padding to maximise air circulation between the bag and your back, plus ergonomic, padded shoulder straps.
