- Luggage pass-through trolley strap
- Comfortable carry handle
- 22L capacity

Features:

Featuring an Apple Find My compatible location module, the innovative Targus Cypress Hero Backpack with Find My Locator utilises the Apple Find My network to seamlessly locate your tech and other belongings from your iPhone . Beyond the bag's finding-capabilities, it's made from recyclable materials on the inside and out - using fabric woven from 26 recycled water bottles - protecting your work essentials while also protecting the environment.

Built to fit laptops up to 15.6", this eco-conscious bag features three compartments: a dedicated, padded compartment to safeguard your laptop, a large main compartment for files and gear, and a workstation for smaller accessories. Plus, a convenient quick-stash pocket on the front makes it easy to store your wallet or phone. Its smart design also features adjustable, ergonomic shoulder straps and a padded back panel constructed of three layers breathable foam to ensure a comfortable fit. With a spacious 22L capacity, comfortable top handle, and luggage pass-through trolley strap, no matter how you carry it, this backpack makes for easy transport of the day's essentials. Whether at home, in the office, or on-the-go, the Cypress Hero Backpack with Find My Locator provides superior comfort, convenience, and functionality.

Find My Backpack Anywhere

The backpack integrates seamlessly with the Apple Find My network so you can locate your backpack via iPhone, iPad, or Mac in a breeze using the Apple Find My app.

The Bottle Reborn

This bag was designed with the environment in mind. By using GRS-certified recycled materials,

26 plastic bottles

were kept out of our waterways and landfills, shredded into small flakes, re-polymerised into plastic chips, and heated and spun into yarn that was stitched and sewn into the fabric of this EcoSmart bag.

Fight Theft and the Elements

Unlike other location modules that are easily removeable, the Find My compatible location module is highly integrated with the Targus Cypress Hero Backpack making it difficult for would-be thieves. It's also water-resistant and has a battery that will last for approximately one year before requiring replacement.

Carry Comfortably

With adjustable shoulder straps and a triple-padded back panel, this backpack is designed for your everyday commute. Plus, a convenient trolley strap makes slipping this pack on to your rolling luggage a breeze when you're traveling.
