We understand that the way you work has changed. The commuter of 2019 needs versatility, and confidence in protection to support a working environment thats more mobile than ever before.

Targus CityGear 3 range has remastered everything that has made its predecessors our most demanded collection to create an even more compact, lightweight range that secures and protects what matters.

35 years of insight and research has gone in to understanding your needs to store and transport the equipment that ensures productivity, creating not only the best protection for your hardware, but the best ergonomic protection for you to carry it too.

The CityGear 14-15.6" Convertible Laptop Backpack offers grab and go handles, padded shoulder straps, luggage trolley straps and briefcase functionality. Just detach and stow the shoulder straps neatly away for sleek briefcase carrying with the low-profile side handle to keep you comfortable and agile on the move.

The built-in Dome Protection System will protect your tech during the commuter-crush with shock-absorbing layers integrated into the bag to dissipate pressure and protect your laptop, tablet and other devices inside.

With zipped mesh pockets so you can see whats inside and space for notebook and stationary, you can keep your stuff organised in designated compartments. All within a sleek, stylishly professional design.
