Specifications

About this product

The Targus TEB01 Campus Backpack is designed for students and professionals with up to 15.6" notebooks. Featuring 3D contoured air-mesh back padding to reduce back strain, multiple storage compartments for devices and accessories, a neoprene comfort grip handle, and a removable waist strap for added support. Durable and functional, this backpack combines ergonomic design with maximum storage capacity for everyday use.

Overview Summary

Product: Targus TEB01 Campus Backpack

The Targus TEB01 Campus Backpack offers a perfect blend of comfort, organization, and protection for laptops up to 15.6 inches. Its 3D contoured air-mesh back padding helps reduce stress and strain on your back during long commutes or campus

walks. Multiple compartments ensure that all your essentials, from smartphones to business cards, are neatly stored and easily accessible.

Designed for both students and professionals, the backpack includes a neoprene comfort grip handle and a removable waist strap for additional stability. Its sleek black design makes it a versatile choice for everyday use while keeping your electronics safe and organized.

Performance tier: Premium student/professional backpack

Uses: Laptop transport, school, university, business commuting, day trips, general storage

Overview

The Targus Campus Notebook Backpack is ideal for students at school or university and also appeals to today's mobile professionals with an active lifestyle and a more casual work environment. The padded computer compartment is specifically designed to protect laptops with standard 15 - 16 inch screens. There's plenty of storage space: an extra-large zippered storage compartment with internal pockets including zippered mesh pockets - perfect for personal (iPod, CD player, PDA, etc.) or computing accessories. Other features include pen loops and student / business card holder. Finally, for your ultimate carrying comfort, there's a 3D contoured air-mesh back padding which helps alleviate stress and strain on your back.

Description

The Targus TEB01 Campus Backpack is crafted to support the daily demands of students and professionals. Its spacious main compartment accommodates notebooks up to 15.6 inches, while multiple pockets provide dedicated spaces for mobile phones, CD players, iPods, pens, and business or student cards. The 3D contoured air-mesh back padding improves comfort during prolonged wear and alleviates back strain.

The backpack's neoprene grip handle ensures ease of carrying, while the removable waist strap adds stability for heavier loads. Constructed with durable materials and practical design, this backpack is ideal for commuting, campus life, or casual travel.
