Targus 15.6" Notebook Bag

Product Overview

Targus 15.6" Notebook Bag, Shoulder strap: Detachable, Weight: 3.95kg, Colour: Black, Material: Nylon / Leather

Specifications

Overview:

The Targus 15.6" Hughes Roller is designed to fit laptops with up to 15.6" screens. The Integrated Laptop Protection System offers three layers of protection which provides additional shock-absorption when compared with standard foam cases. To protect against wet weather, the roller is constructed of water-resistant and stain guard fabric that has been tested for durability. The reinforced bottom provides a strong and smooth surface that withstands tears and snags caused by everyday usage. For a customised, ergonomic fit, the soft-grip oil-tanned leather handles mould to your hand overtime as you use the case. Other features include micro-suede lined accessory compartments to protect against scratches and curved, ergonomic zipper pulls are easy to grip and feel comfortable to manoeuvre. The hidden garment section has space for overnight trips and separates contents from other case items for added privacy. For easy transport, the three-tier telescopic handle makes it possible to adjust the height of the trolley while the smooth rolling wheels provide optimal navigation. Constructed of nylon material with oil-tanned leather accents, this case utilises top of the line materials to integrate a sophisticated style with the functionality of a day -to-day executive case. Oiled Leather: The process of oiling leather dates back hundreds of years. After smoothing the surface, this quality leather is then infused with natural oils to create a highly durable yet supple material that continues to develop, soften and conform to your body for a comfortable, ergonomic fit.

Features:

- Protection - Designed to protect up to 15.6" widescreen laptops. Features the Integrated Laptop Protection System
- Organisation - Overnight garment or accessory storage. Micro-suede lined accessory compartments
- Function - Three tier telescopic trolley handle. Smooth rolling wheels for easy navigation and ergonomic zipper pulls
