Product Specification Sheet

TESCOM 1KVA

Tescom APEX 1000VA UPS

Product Overview

Tescom APEX 1000VA UPS, Retail Box

Specifications

Overview:

The Tescom Apex Range of Line-interactive UPS's offers surge protection and battery back-up and also regulates the AC power using one converter. Based on world's most advanced Digital Signal processing technology,

Apex Line Interactive UPS system ensures the simplest and most cost effective way of coping with these disturbances, Acting as an interface between the mains and the loads, the UPS guarantees the continuity and the quality of electrical power supplied to the loads. In fact the UPS stabilizes the voltage perfectly eliminating all disturbances.Suitable for Home and Small to Medium size businesses, that delivers clean output and reliable protection for Computer workstations Point of Sale equipment and Audio Visual equipment.The UPS provides battery-backed outlets and includes a high performance surge protection with Automatic Voltage Regulation (AVR, with buck and boost)function to stabilise input voltage & extend battery life.The RJ11/RJ45 network connection line filter is integral with the UPS to protect sensitive phone, fax and modem equipment, from power disturbances entering via the phone lines.The UPS battery offers up to four minutes of backup power at full load and up to 12 minutes on half load - ample time to shut down protect equipment if an outage occurs.

Features:

- 1000VA (1KVA) Line interactive UPS
- Compact size
- Excellent microprocessor control guarantees high reliability
- Boost and buck AVR for voltage stabilization
- Auto restart while AC is recovering
- Off-mode charging
- Cold start function Start up without Mains
- Generator compatible

- Immediate changeover (Change-over with phase synchronization)
- Lower operating temperatures
- Less heat load on facility - less heat is produced by the UPS
- Off-mode charging
