TP-Link Tapo L610 GU10 Smart Wi-Fi Dimmable Spotlight

Product Overview

TP-Link Tapo L610 GU10 Smart Wi-Fi Dimmable Spotlight, 2.4GHz Wi-Fi, GU10 fitting, 350 Lumens brightness, Dimmable, 2700 K Colour temperature, 40 degrees Light beam angle

Specifications

Overview Summary:

The TP-Link Tapo L610 GU10 Smart Wi-Fi Dimmable Spotlight is an ideal choice for South African homes seeking modern, energy-efficient lighting. With 350 lumens of warm 2700K light, you can easily create a cozy atmosphere. Control brightness remotely through the Tapo App or hands-free using Amazon Alexa or Google Assistant, making it simple to adjust your lighting from anywhere. Compact and stylish, this spotlight is perfect for living rooms, reading areas, or accentuating decor. Shop now to upgrade your home lighting experience effortlessly.

Performance tier: Mid-range

Uses: Home lighting, accent lighting, smart home integration, cozy ambient lighting, task lighting

Overview:

TP-Link Tapo L610 GU10 Smart Wi-Fi Dimmable Spotlight
The TP-Link Tapo L610 is a compact and efficient smart Wi-Fi dimmable spotlight designed for easy control, flexible lighting, and seamless integration with your smart home. With a GU10 fitting, 350 lumens brightness, and adjustable 2700 K warm color temperature, it's an ideal lighting solution for creating cozy and energy-efficient spaces.

Description:

The Tapo L610 delivers a comfortable warm glow with adjustable brightness from 1% to 100%. Users can manage lighting remotely via the Tapo App, schedule lighting routines, and even control it hands-free through Amazon Alexa or Google Assistant. Designed for both style and practicality, it's perfect for enhancing home ambiance, highlighting displays, and saving energy while maintaining brightness quality.

Features:

Warm Light for a Cozy Atmosphere
Create a relaxed and welcoming setting with the 2700 K warm light. Ideal for living rooms, cafes, or galleries, it helps set the right tone for comfort and style.

Adjustable Brightness Control
Fine-tune the light intensity anywhere between 1% and 100% to suit your activities-from movie nights to late-night reading.

Compact Power and Bright Output
Despite consuming just 2.9 W of power, the L610 emits a bright 350 lumens beam, providing sufficient light for focused tasks and decorative illumination.

Simple GU10 Base Compatibility
Designed to fit standard GU10 sockets, installation is quick and tool-free. It's a perfect first step into smart lighting without extra hardware.

Smart App Management
Control all your Tapo spotlights with a single tap on the Tapo App. Turn lights on or off, adjust brightness, or set schedules even when you're away.

Energy-Saving Operation
Enjoy efficient lighting that reduces power consumption without sacrificing brightness. With an energy efficiency grade of D

and standby power under 0.2 W, it supports sustainable living.

Personalized Scheduling and Timers
Automate your lighting with custom schedules or countdown timers. Set it to wake you up gradually or turn off automatically before bedtime.

Voice-Activated Convenience
Use voice commands via Amazon Alexa or Google Assistant to manage your lighting hands-free. Create scenes for reading, relaxing, or entertaining effortlessly.

Group Control for Multiple Lights
Combine multiple Tapo L610 spotlights for synchronized control. Adjust brightness or power settings across an entire room at once.

Ambient and Focused Lighting Options
The Tapo L610 is perfect for accentuating artwork, highlighting decor, or setting the right mood for any event. Its narrow 40-degree beam delivers precision lighting where you need it most.

Eco-Friendly Smart Lighting
Operate up to 30 spotlights together efficiently through the Tapo App. Low standby energy usage ensures long-term cost savings and reduced environmental impact.

Seamless Integration with Tapo Smart Home Ecosystem
Connect your Tapo L610 with other Tapo devices to create a unified smart environment. Automate your lighting to match sunrise, sunset, or activity routines for a fully connected living experience.
