Specifications

Armaggeddon Tritron 1 White ATX Gaming Case with 3 ARGB Fans and Dual-Chamber Design

Overview summary:

The Armaggeddon Tritron 1 White ATX Gaming PC Case combines bold aesthetics with intelligent design, making it a solid choice for South African gamers building a high-performance setup. It features a dual-chamber layout for optimized airflow and a PSU shroud that enhances thermal management and cable organization. The tempered glass side panel and full white-coated interior deliver a premium, clean appearance ideal for modern builds.

This chassis supports up to 305mm graphics cards, 165mm CPU coolers, and multiple fan configurations, including pre-installed ARGB fans for vivid lighting. With dedicated SSD and HDD bays, seven PCI slots, and ample I/O ports, it balances versatility, cooling, and style in one refined package.
