Product Overview

Transcend StoreJet 25A3 Series - 1.0TB 2.5" External HDD - SuperSpeed USB 3.0, Plug & Play, USB Powered - Trendy Slim Design

Specifications

About this product

The Transcend StoreJet 25A3 TS1TSJ25A3K 1TB 2.5 inch external hard drive delivers reliable high speed portable storage with USB 3.1 Gen 1 connectivity for fast file transfers and secure everyday backups. Buy now for dependable plug and play storage that keeps your important files, media, and work data safe and easily accessible in South Africa.

Overview Summary

The Transcend StoreJet 25A3 1TB External Hard Drive is a compact and durable portable storage solution designed for users who need fast and reliable data access on the go. With a 2.5 inch HDD form factor and USB 3.1 Gen 1 interface, it provides efficient data transfer speeds while remaining fully bus powered for maximum convenience.

Built with an internal shock protection system, the StoreJet 25A3 helps safeguard data against everyday bumps and movement. It includes One Touch Backup functionality through Transcend Elite software, making it easy to securely back up files with a single press. Its slim black design makes it ideal for both professional and personal use.

ComX Computers

Product Specification Sheet

This external hard drive is compatible with Windows and macOS systems and supports plug and play operation with no additional drivers required, making it a practical storage upgrade for laptops, desktops, and media devices.

Performance tier:Mid range portable HDD storage

Uses:File backup, document storage, media storage, laptop expansion, data transfer

Overview

Rugged durability doesn't always have to come at the expense of style. The StoreJet 25A3 offers an impressive level of anti-shock protection without sacrificing its slender good looks. This feature-packed drive is equipped with a SuperSpeed USB 3.0 interface, a convenient auto-backup button and up to a full terabyte of storage capacity.

Description

The Transcend StoreJet 25A3 TS1TSJ25A3K is a 1TB portable external hard drive engineered for users who require reliable high capacity storage in a compact design. Featuring a 2.5 inch SATA hard disk inside a rugged enclosure, it delivers stable performance for daily computing, file transfers, and backup operations.

Its USB 3.1 Gen 1 interface ensures fast connectivity with modern devices while remaining backwards compatible with older USB ports. The drive is powered directly through USB, eliminating the need for external adapters and improving portability for mobile users.

The internal suspension system is designed to reduce impact and vibration, helping to protect stored data during transport. Combined with its slim form factor, this makes it suitable for business users, students, and anyone needing secure portable storage.

Features

The Transcend StoreJet 25A3 is designed to offer speed, durability, and ease of use in a portable storage device.

- 1TB storage capacity for documents, media, and backups
- USB 3.1 Gen 1 interface for fast data transfer speeds
- 2.5 inch internal hard drive design for portability
- Shock resistant internal suspension system for data protection
- Plug and play operation with no driver installation required
- Bus powered design eliminates the need for external power supply
- One Touch Backup button via Transcend Elite software
- Compatible with Windows and macOS operating systems
- Compact and lightweight design for easy transport

Sleek, classic design

Transcend's StoreJet 25A3 external hard drive features a sleek enclosure available in classic black and gloss white. This sleek, classic external hard drive speaks to your good taste.

Lightning-fast transfer speeds

The StoreJet 25A3 is equipped with the USB 3.1 Gen 1 interface, providing lightning-fast transfer rates of up to 5Gbps.

Internal suspension system

Lying underneath the trendy enclosure is a protective suspension system. The inner rubber shock absorber can effectively protect the hard drive by softening the force of impact in case of accidental drops.

One touch auto backup

The StoreJet 25A3 is equipped with a one touch auto-backup button that instantly backs up your data with just one press*. The button also enables you to reconnect the hard drive to your PC without the need to unplug and reinsert it.

Manage data with Transcend Elite

A free download from Transcend's official website, the Transcend Elite data management software is available for both Windows OS and macOS. Transcend Elite features backup and restore, data encryption, and cloud backup functions, helping you keep your important files organized, protected, and up-to-date!

Guaranteed quality

Transcend's external hard drives are built to the highest standards and rigorously tested, offering outstanding quality, performance, and reliability. Transcend products both look after your data and complement your good taste.
