Product Overview

Transcend Storejet M3S 1TB 2.5" USB 3.1 Gen 1 Slim Hard Disk Drive, Advanced three-stage shock protection system, Durable anti-shock rubber outer case, Advanced internal hard drive suspension system

Specifications

About this product

The Transcend StoreJet 25M3S TS1TSJ25M3S is a 1TB portable 2.5 inch external hard drive with a USB 3.1 Gen 1 interface and three-stage shock protection. Its durable silicone outer case, reinforced hard casing and internal suspension damper help protect stored data while the compact design makes it practical for portable file storage, backups, documents, photos and media. Buy now from our website for a dependable portable storage solution in South Africa.

Overview Summary

The Transcend StoreJet 25M3S 1TB portable hard drive provides 1TB of external storage in a compact 2.5 inch HDD design. The TS1TSJ25M3S uses a USB 3.1 Gen 1 interface with USB 5Gbps support and connects through a micro USB to USB Type A cable.

Designed for users who need portable storage, the StoreJet 25M3S combines a durable outer silicone shell, reinforced hard casing and internal shock-absorbing suspension damper as part of its three-stage shock protection system. It also supports

Transcend Elite software for data management, backup and AES encryption functions.

Performance tier: Portable external HDD

Uses: File storage, data backup, photo storage, video storage, document storage, portable media storage

Overview

Transcend's StoreJet 25M3 ruggedized portable hard drive combines supreme shock-resistant qualities with the USB 3.1 Gen 1 interface, allowing for ultra-fast file transfers and the highest level of anti-shock protection.

Description

The Transcend StoreJet 25M3S TS1TSJ25M3S is a compact 1TB portable external hard drive designed to provide convenient additional storage for computers and compatible systems. Its 2.5 inch hard disk drive format and compact dimensions make it suitable for carrying between locations while providing space for documents, photos, videos, music and other digital files.

A key feature of the StoreJet 25M3S is its three-stage shock protection system. The drive uses a vibration-absorbing silicone rubber outer shell, a reinforced hard casing and an internal shock-absorbing suspension damper. Transcend states that the StoreJet 25M3 series has passed the MIL-STD-810G US military transit drop test when tested in a non-operating state. This design helps provide additional protection against physical shocks during transportation and everyday portable use.

The USB 3.1 Gen 1 interface provides a USB 5Gbps connection, while the drive uses a micro USB to USB Type A connection. The StoreJet 25M3S operates from 5V and is compatible with Microsoft Windows 7 or later and macOS 10.10 or later according to Transcend's published system requirements.

The drive also supports Transcend Elite software, which provides data management features including backup and restore, data encryption and cloud backup functions. Transcend Elite is required for the One Touch Auto-backup and AES encryption functions. RecoveRx software is also available for supported Windows and Mac systems to assist with data recovery.

Features

The StoreJet 25M3S combines portable 1TB storage with a rugged enclosure and data protection features for users who regularly move important files between computers.

- 1TB storage capacity: Provides substantial space for documents, photos, videos, music and other files.
- 2.5 inch HDD: Uses a compact portable hard disk drive format.
- USB 3.1 Gen 1: Provides a USB 5Gbps connection interface.
- Three-stage shock protection: Combines a silicone rubber outer shell, reinforced hard casing and internal suspension damper.
- Durable outer protection: The silicone rubber outer shell is designed to absorb vibration and provide a slip-resistant surface.
- Internal suspension damper: Helps absorb shocks affecting the internal hard drive.
- One Touch auto-backup support: Supports automatic backup functionality when used with Transcend Elite software.
- Transcend Elite support: Provides data management, backup and restore, data encryption and cloud backup functions.
- RecoveRx support: Provides a data recovery utility for supported systems.
- Portable design: The compact enclosure is suitable for mobile storage and backup requirements.
- Windows and Mac compatible: Supports Microsoft Windows 7 or later and macOS 10.10 or later.

Rugged and portable

The StoreJet 25M3 portable hard drive was designed with high endurance in mind, allowing you to store and share wherever you go. Two color options, iron gray and military green, make for a stylish, trendy storage experience!

Excellent anti-shock protection

The StoreJet 25M3 features a three-stage shock protection system that has passed MIL-STD-810G US military transit drop test to fully protect data stored on the drive. The three-stage shock protection system includes a silicone rubber case, an

Product Specification Sheet

internal shock-absorbing suspension damper, and a reinforced hard casing.

USB Type-A supported. Durable and reliable.

The StoreJet 25M3 portable hard drive utilizes a USB Type-A connector that has undergone 10K plug-unplug tests. High durability means extra protection for your files.

Lightning-fast transfer speeds

The StoreJet 25M3 portable hard drive is equipped with the USB 3.1 Gen 1 interface, providing lightning-fast transfer rates of up to 5Gbps.

Large capacity. Save all you want.

With up to 4TB of storage capacity, the StoreJet 25M3 is well suited for Mac and Windows users to save high-quality photos and videos, or a large number of documents. High capacity and compatibility make this a convenient storage solution!

One touch auto backup

The StoreJet 25M3 is equipped with a one touch auto-backup button that instantly backs up your data with just one press*. The button also enables you to reconnect the hard drive to your PC without the need to unplug and reinsert it.

Extreme protection, advanced security.

Transcend's storage devices provide an exclusive disk lock and security functions. With Transcend Elite software, you can protect your entire drive and the files inside, meeting the high standard of information security.

What's in the Box

- Transcend StoreJet 25M3S 1TB external hard drive
- Micro USB to USB Type A cable

Specifications

Appearance	
Dimensions	129.5 mm x 80.8 mm x 16.1 mm (5.10" x 3.18" x 0.63")
Weight	185 g (6.53 oz)
