Performance tier: High-speed

Uses: File storage, data backup, file transfer, portable storage, secure data management

Overview:

Transcend JetFlash 810 256GB USB 3.0 Flash Drive - Green
Transcend's JetFlash 810 256GB USB 3.0 Flash Drive combines high-speed performance, generous storage, and durable design, making it ideal for users who need reliable data storage on the go. Its compact and rugged form factor ensures that your files remain safe in various environments, whether at home, in the office, or outdoors.

This flash drive offers fast USB 3.1 Gen 1 data transfer rates, allowing you to move large files quickly. Its shock-resistant, water- and dust-proof rubber casing provides superior protection for your important data. With a vibrant green color, it is easy to spot, and the included Transcend Elite software helps you manage, back up, and secure your files effortlessly.

Features:

High-Speed Data Transfers
Equipped with a SuperSpeed USB 3.1 Gen 1 interface, the JetFlash 810 delivers transfer rates of up to 5Gbps. Large files such as videos, presentations, and photo libraries can be moved in seconds, saving you time and improving workflow efficiency.

Durable and Reliable Design
Built to withstand demanding conditions, the JetFlash 810 meets U.S. MIL-STD-810G 516.6 military drop-test standards. Its rubberized housing resists shock, dust, moisture, and splashes, making it an excellent companion for travel, outdoor adventures, or daily use.

Stylish and Easy to Use
The flash drive's eye-catching green color makes it easy to identify among your other devices. Its compact size fits comfortably in a pocket, bag, or laptop case, ensuring portability without compromising style.

Convenient Data Management
The JetFlash 810 comes with Transcend Elite software, a user-friendly tool that allows you to back up, encrypt, and organize your files efficiently. This ensures your data is always secure and easily accessible whenever you need it.

Why Choose the JetFlash 810

- Fast USB 3.1 Gen 1 interface for efficient data transfers
- Shock-resistant and water- and dust-proof rubber housing
- Military-grade drop protection for enhanced durability
- Bright green color for easy visibility
- Free Transcend Elite software for file backup and encryption
