Transcend 256MB Jetflash 150 Series Flash Drive, Green, compatible with Hi-Speed USB 2.0, Plug and Play installation, PC-Lock Function, Secret-Zip Function, E-Mail Function, Auto Login Function, Data Backup Function.

Specifications

Overview:

The highly attractive JetFash 150 conveniently plugs into a desktop, or notebook computer and achieves Hi-Speed USB 2.0 data transfer speeds. No larger than a tube of lip balm the JetFlash 150 features a trendy blue LED that lights up the unit's semi-transparent casing when the drive is in use. Available in a range of attractive colors and memory sizes from 256MB (Metallic Green) to the huge capacity 2GB (Metallic Silver), the JetFlash 150 will add a splash of color to the way you carry around your digital workload. The keychain sized JetFlash 150 is available in a large selection of memory capacities (256MB - 2GB) and exciting color schemes making it the perfect Hi-Speed USB 2.0 USB Flash Drive to brighten up your digital baggage.

Features:

- Fully compatible with Hi-Speed USB 2.0.
- Easy Plug and Play installation.
- PC-Lock Function: Makes JetFlash a key to lock your computer.
- Secret-Zip Function: Compress and/or Password protect saved files using AES Encryption.
- E-Mail Function: Use your JetFlash to Securely Send, Receive and Save e-mails.
- Auto Login Function: Automatically login to websites where you have a password.
- Favorites Function: Store all your favorite website addresses on the JetFlash.
- Data Backup Function: Backup, Restore and Synchronize your Data using the JetFlash.
- Driverless (Only Windows 98SE needs the enclosed driver).
- USB powered. No external power, or battery needed.

Specifications:
