Targus Balance EcoSmart 14" Black Backpack

Product Overview

Targus Balance EcoSmart 14" Black Backpack

Specifications

Overview:

Targus Balance™ EcoSmart® range is the eco-friendly choice, produced using fabrics from recycled materials including water bottles, nickel-free components plus recyclable zip pulls. Designed to fit up to 14" screens the Targus' SafePort® Sling Plus System suspends your laptop inside the bag to stabilise when on the move and protect against drop damage with quality padding to the sides and front of your device. The certified ergonomic design ensures maximum carrying comfort by making contact at key body touchpoints and keeping the pack snug to the body, weight moves downward rather than your shoulders bearing the brunt. Thoughtful organisation and storage with large stash pockets and internal workstation. Crafted from earth-sensitive materials and designed with comfort in mind. EcoSmart. Good for You. Good for Our Planet.

Features:

- Eco-friendly laptop backpack made from recycled plastics including water bottles*, nickel-free plus recyclable zips, perfect for those seeking an earth-sensitive choice. 2018 Honouree of the Green Good Design Award.
- Certified ergonomic design with adjustable features to distribute load evenly and help to reduce fatigue. Air mesh back panel with air flow design helps keep you cool too.
- Targus SafePort® Sling Plus System suspends laptop inside a neoprene cradle to stabilise when on the move and protect against drop damage.
- The Targus Limited Lifetime Warranty: for peace of mind and confidence in the high quality of all our bags
- Padded top and side handles allow you to carry the pack like a briefcase plus luggage pass-through trolley stra
- Weather-resistant materials
- Thoughtful storage and organisation pockets for the stuff you carry every day.
