Targus 15.6" DrifterTrek Backpack with USB Power Pass-Thru Port

Product Overview

Targus 15.6" DrifterTrek Backpack with USB Power Pass-Thru Port

Specifications

Overview:

Versatility, comfort, and convenience reign supreme in this durable, travel-worthy pack. Secure and protect your laptop with room to spare for your gear, gadgets, and other essentials. Intelligent organization features include two spacious interior compartments and an easy-access exterior pocket for quick-grab items. Count on comfortable carrying thanks to the ergonomically designed hinged shoulder-strap system, cooling air mesh back panel, and soft, padded carry handle. The unique, sturdy design delivers tip-proof, stand-up appeal and convenience.

Guard against communication downtime with the convenient USB power pass-thru port. Stash your power pack in the convenient zippered side pocket, connect to the integrated interior cord and you're ready to power up (battery and charging cable not included). Additional on-the-go features include a ruggedized, weather-resistant base, and luggage trolley strap.

Features:

- External USB power pass-thru port for on-the-go charging (battery and charging cable not included)
- Multi-Fit laptop cradle secures devices of various sizes
- Ergonomic design with hinged shoulder straps for comfortable carrying
- Air mesh back panel with hidden lumbar pocket and air flow design helps keep you cool
- Trolley pass-through strap holds backpack securely atop your luggage
- 2 large compartments accommodate your gadgets and gear
- Reinforced carry handles deliver a durable, comfortable grip
- Large quick-access pocket keeps essentials close at hand
- Weather-resistant base guards against dampness
- Tip-resistant, stand-up design provides convenience and good looks
