Uses: Daily commuting, university study, business travel, laptop storage, file organization

Overview:

The Targus Intellect Essentials Backpack is a sleek and lightweight solution designed for professionals and students who need reliable protection for their 15-16 inch laptops. Part number TSB966GL offers a compact design that fits easily into tight spaces while providing ample storage for daily essentials. The bag features three distinct compartments, including a dedicated top-loading pocket specifically sized to keep your laptop secure and separate from other items.

Description:

This black backpack combines style with functionality, featuring an air mesh back panel and contoured shoulder straps that ensure comfort during long commutes or travel. With a generous 16-liter capacity, users can organize files, folders, and personal items without feeling weighed down. The durable polyester construction ensures longevity, while the discreet front pocket allows for quick access to frequently used accessories.

Built with modern materials, this bag delivers a fresh aesthetic suitable for both work environments and casual outings. The ventilated back panel promotes airflow, preventing sweat buildup and keeping you cool throughout the day. Whether you are heading to the office or traveling for leisure, the Targus Intellect Essentials Backpack provides the essential protection you need in a compact form.

Features:

FAQ

What size laptop does this backpack accommodate?

The Targus Intellect Essentials Backpack features a dedicated, top-loading compartment designed to hold laptops up to 16 inches in size.

How much storage space is available for documents and accessories?

This bag offers three spacious compartments with a total capacity of 16 liters, including a secondary section ideal for files, folders, and other daily essentials.

Is this backpack comfortable to carry during long commutes?

Yes, the pack is designed for comfort with an air mesh back panel that promotes airflow, along with adjustable, contoured shoulder straps to reduce strain while carrying your gear.

What are the dimensions and weight of the backpack?

The TSB966GL measures 30 x 9.5 x 42.5 cm and weighs only 0.4 kg, making it a slim and lightweight option for work or travel.

Where can I store my phone or wallet while on the go?

The backpack includes a discreet front quick-access pocket that allows you to store small items like keys, wallets, or phones without needing to open the main compartments.
