Specifications

Overview:

The brother tze421 (tz421) p-touch tape is 3/8" x 26' black on red. This ptouch tape features an exclusive laminated tape process and standard adhesive and is perfect for everyday applications. These labels stay on under normal indoor and outdoor use, including hot and cold environments. It's best suited for smooth flat surfaces. The tz-421 p-touch tape features the new crack and peel backing.

The tz-421 black on red p-touch tape sticks to virtually any surface and is durable enough to withstand scrapes and abrasions. Because it's water resistant, it can be used outdoors, as well as indoors. Laminated tz tapes shrug off spills of any kind; from water, to oil, to chemicals and won't fade under harsh uv rays. And it stays on through hot and cold environments from freezers to microwaves. We have laminated tapes down to a science.

- Resistant to water, sunlight, chemicals, heat and cold
- Can stick to virtually any surface
- Are durable as they won't fade or tear
- Can be used indoors (such as microwaves and freezers) as well as outdoors
- Labels do not leave a sticky residue when they are removed, leaving a smooth, clean surface
- Brother tz tapes are available in many sizes and colors
- The tze421 - same great label but now with new environmental-friendly packaging!
