U1872M

Microworld U1872M USB to Micro USB 90 degree 2m cable

Product Overview

Microworld U1872M USB to Micro USB 90 degree 2m cable, charging & Data Sync

Specifications

Overview Summary:

The Microworld U1872M USB to Micro USB 90-degree cable delivers reliable charging and stable data synchronization in a compact, durable design. With a 2-meter length, it provides flexibility for everyday use while the angled connector reduces strain and improves cable management in tight spaces such as cars, gaming setups, and workstations.

Built for consistent performance, this cable supports a wide range of Micro USB devices including smartphones, tablets, power banks, and cameras. It is a practical choice for users who need dependable connectivity and efficient charging without cable clutter. Buy now or shop now to upgrade your charging setup with a stronger, more convenient solution suited for daily use in South Africa.

Performance tier: Mid-range accessory

Uses:charging smartphones, data transfer, gaming setups, in-car charging, power banks, cameras, confined spaces cable management

Overview:

USB to Micro USB 90 Degree 2m Cable - Charging and Data Sync
The Microworld U1872M USB to Micro USB cable is designed for reliable charging and data transfer while offering improved cable management through its practical 90-degree angled Micro USB connector. The angled design helps reduce stress on the connector and cable, making it ideal for devices used in confined spaces, vehicles, gaming setups, or anywhere a straight connector would be inconvenient. With a generous 2-metre length, it provides added flexibility for everyday charging and syncing.

Description:

The Microworld U1872M is a durable 2-metre USB-A to Micro USB cable built for dependable charging and stable data

synchronisation. Its right-angle Micro USB connector minimises cable strain while improving usability in tight spaces, making it an excellent choice for smartphones, tablets, power banks, cameras, Bluetooth devices, and other compatible Micro USB equipment. Combining durability, convenience, and reliable performance, it is well suited for both home and travel use.

Features:

Why Choose This USB to Micro USB Cable
Whether you need to charge your device or transfer files, this cable delivers dependable performance for everyday use. The right-angle Micro USB connector keeps the cable neatly positioned while reducing wear caused by bending, making it especially useful when devices are used while charging.

Key advantages include:

- USB-A to Micro USB connection
- 90-degree angled Micro USB connector for improved cable routing
- Supports charging and data synchronisation
- Durable and flexible cable construction
- Ideal for gaming, vehicles, desks, and confined spaces
- Extended 2-metre cable length for greater convenience

Technical Details

- Part Number / SKU: U1872M
- Model: U1872M
- Connector 1: USB-A Male
- Connector 2: Micro USB Male (90-degree angled)
- Cable length: 2 metres
- Functions: Charging and data sync
- Colour: Black

Compatible Devices
The U1872M cable is suitable for a wide range of Micro USB devices, including:

- Smartphones
- Tablets
- Power banks
- Bluetooth accessories
- Digital cameras
- Other devices equipped with a Micro USB port

Ideal for Everyday Use
The angled connector design makes this cable particularly useful where space is limited or where reducing cable strain is important. Its durable construction and dependable charging and syncing capabilities make the Microworld U1872M a practical solution for everyday connectivity at home, in the office, or on the move.
