

UA26EH4000

Samsung 26" EH4000 HD LED TV *TV license*

Product Overview

Samsung 26" EH4000 HD LED TV, CMR 50Hz, Hyper Real Engine, Wide Colour Enhancer Plus, Connect Share movie, Triple Protector, 2 HDMI, 1 USB.*TV license required*

Specifications

Overview:

The 2012 EH4000 series shares the hallmarks of Samsung's innovative Direct LED technology - improved contrast, lower power consumption and an ultra-chic slim-line bezel that provides a seamless viewing experience.

Features:

Benefit from a beautifully slim bezel and bright, crisp images

Featuring an ultra-chic slim-line bezel that is slimmer than conventional Samsung LCD TVs, the EH4000 series featuring Samsung's Direct LED backlight technology, delivers bright, vivid images that instantly elevates your home entertainment experience.

Bright, vivid images and exceptional contrast

The LED backlight on the EH4000 series is automatically adjusted according to the video signal to help to deliver exceptional

contrast and bright, clear images.

Contrast aided by cell light control technology

Black pixels are switched off using Samsung's cell light control technology, delivering deep blacks and amazing contrast.

Improved energy efficiency and High Energy Star Rating

The EH4000 series LED TVs meet the stringent Energy Star requirements with an Energy Star rating of 8 stars. The EH4000 series is more power efficient than our previous model of Samsung LCD TV thanks to our new Direct LED backlight technology.

Watch and listen from USB - ConnectShare Movie

The versatile ConnectShare Movie USB function lets you connect your USB storage device and enjoy your favourite videos such as MKV, DivxHD and WMV files, photos or music conveniently. What's more compatible USB storage devices such as external hard disk drives are also supported.
