

UB-UVC-UNVR-INSTANT

Ubiquiti UniFi Protect 6 Port PoE 1 HDD bay

Product Overview

Ubiquiti UniFi Protect 6 Port PoE 1 HDD bay, UNVR-Instant, 15x HD Managed cameras, 50 Managed Access hubs, 1x 3.5" Drive bay Storage Capacity, 1x GbE RJ45 Uplink Port, 6x GbE PoE RJ45 downlink Ports, 1x HDMI Port (Viewport), 40W PoE budget, 1.14" screen Display

Specifications

About this product

The Ubiquiti UniFi Protect 6-Port PoE NVR (UB-UVC-UNVR-INstant) is a high-performance, compact network video recorder designed for managing and recording multiple cameras in homes and businesses. Supporting up to 15 HD or 6 4K cameras, and 50 UniFi Access Hubs, it provides reliable monitoring, integrated storage, and seamless UniFi Protect integration for a professional-grade video surveillance setup.

Overview Summary:

The Ubiquiti UniFi Protect 6-Port PoE NVR is a compact, high-performance solution for managing and recording video surveillance. Ideal for South African homes and businesses, it supports up to 15 HD cameras or 6 4K cameras and 50 UniFi Access Hubs, providing reliable monitoring and storage in one easy-to-use device. With a built-in 3.5" HDD bay, 40W PoE budget, HDMI viewport, and intuitive interface, setting up and maintaining your security system has never been easier. Shop now to secure your property with a professional-grade NVR.

Performance tier:High

Uses:Video surveillance, camera management, network security, access control, office and home monitoring

Overview:

Ubiquiti UniFi Protect 6-Port PoE Network Video Recorder

The Ubiquiti UniFi Protect 6-Port PoE NVR provides a compact, powerful solution for managing and recording video surveillance. Designed for both small and medium setups, it supports multiple cameras and offers seamless integration with UniFi Protect systems. Its intuitive interface and robust hardware make it easy to set up and maintain a secure video network.

Description:

This NVR includes a single 3.5" HDD bay, a built-in 6-port PoE switch, and an HDMI viewport for direct monitoring. It supports up to 15 Full HD cameras or 6 4K cameras and can manage up to 50 UniFi Access Hubs. With a 40W PoE budget, a GbE uplink port, and an easy-to-read 1.14" display, it ensures reliable recording, smooth playback, and flexible connectivity for a complete surveillance system.

Features:

Compact Design with High Storage Capacity

The UNVR-Instant is designed for efficiency without sacrificing power. Its integrated HDD bay allows for expandable storage, while the compact footprint ensures it fits easily in any network rack or office environment.

Seamless Camera and Hub Management

Easily manage multiple cameras and access points. The NVR supports:

- 15 Full HD managed cameras
- 6 4K cameras
- 50 managed UniFi Access Hubs

Flexible Connectivity Options

Stay connected and monitor your system with versatile port options:

- 1x GbE RJ45 uplink port for network integration
- 6x GbE PoE RJ45 downlink ports for camera power and data

ComX Computers

Product Specification Sheet

- 1x HDMI port for direct viewing
- 1x 3.5" drive bay for storage expansion

Power Efficiency and Display

The device includes a 40W PoE budget to efficiently power connected devices and a 1.14" screen display to provide quick status updates and system information at a glance.

Easy Integration and Setup

Designed to work seamlessly with UniFi Protect systems, the NVR requires connection to a Gateway or Layer 3 switch. Its plug-and-play functionality allows for fast deployment and easy maintenance.

FAQ

How many cameras can the NVR support?

Up to 15 HD cameras or 6 4K cameras, along with 50 UniFi Access Hubs.

Does it have built-in storage?

Yes, it includes a 3.5" HDD bay for expandable storage.

Can it be mounted on the wall?

Yes, it supports wall or DIN rail mounting.

What is the PoE budget?

40W total, with up to 15.4W per port.

Is it compatible with UniFi Protect?

Yes, it integrates seamlessly with the UniFi Protect ecosystem.

Product Specification Sheet

Managed Access Hubs	50
Storage Capacity	(1) 3.5" drive bay
Data Protection	Y
Vantage Point	Y
Networking Interface	(1) GbE RJ45 uplink port
	(6) GbE PoE RJ45 downlink ports
	(1) HDMI port (Viewport)
Form Factor	Compact Desktop
Mounting	Wall, Din rail mount (Included)
Door Access Support	Y
Hardware	
Hard Drive Capacity	(1) 3.5" HDD support
Max. Power Budget for Drives	11W
Max. Power Consumption	9W
Power Method	Universal AC input, 100-240VAC, 1.5A Max, 50/60 Hz
Power Supply	AC/DC, Internal, 60W
PoE Budget	40W
Max. PoE Wattage per Port by PSE	
PoE	15.4W
Voltage Range PoE Mode	44-57V
Processor	Quad-core ARM Cortex -A55 at 1.7 GHz
Memory	4 GB
Management	Ethernet
	Bluetooth
Display	1.14" screen
Weight	1.04 kg (2.3 lb)
Enclosure Material	Polycarbonate
Mount Material	Polycarbonate
LEDs	
Ethernet	Y
PoE	Y
Ambient Operating Temperature	0 to 40degrees C (32 to 104degrees F)
Ambient Operating Humidity	5 to 95% noncondensing
NDAA Compliant	Y
Certifications	FCC, IC, CE, Electrical Safety
