

UI-35M9

UniQue 3.5" Aluminium External USB 2.0 IDE Hard Drive Enclosure with Power

Product Overview

UniQue 3.5" Aluminium External USB 2.0 IDE Hard Drive Enclosure with Power, Retail Box

Specifications

Overview:

Unique's External Hard Drive Enclosure delivers a versatile and cost-effective external storage solution, letting you turn any 3.5" Serial ATA (ESATA, SATA II,) or IDE hard drive into an eSATA (SATA only) or USB 2.0 (SATA or IDE) connected external storage solution for high capacity drives (tested with up to 4TB). Its unique snap-in, screwless hard drive installation and "One Touch Backup", which automates backup tasks for simple backups of files and folders at the touch of a button, based on pre-defined settings within the easy to use software utility (included), are design features which provide a convenient and efficient operating experience. The hard drive enclosure features an attractive silver aluminum casing that looks great in any operating environment, and is backed by our 1-year warranty and free lifetime technical support.
