Overview:

Acer V206HQL Abi 19.5" WXGA HD+ LED Monitor for Productive Workspaces
Experience clear, energizing visuals with the Acer V206HQL Abi 19.5" WXGA HD+ monitor. Designed for students, designers, and professionals in SOHO and commercial environments, this monitor combines efficient performance with a slim, modern design. Its eco-friendly technologies help reduce power usage and lower costs while maintaining a productive and comfortable workspace.

Description:

The Acer V206HQL Abi 19.5" monitor delivers sharp 1600x900 HD+ resolution with a 16:9 aspect ratio, ensuring vibrant visuals for everyday tasks. Its 5 ms response time reduces blur, while the TN panel provides consistent color and contrast. Tilt adjustments let you find the ideal viewing angle, and the monitor supports VGA and HDMI connections for versatile device compatibility. Lightweight yet robust, this monitor integrates energy-saving technologies and recycled materials for an environmentally conscious choice.

Features:

Adjustable Design for Comfortable Viewing
Customize your workspace with the monitor's flexible tilt, swivel, and pivot options, allowing for a more ergonomic setup. The stand includes a magnetic area for organizing small items and can be wall-mounted to maximize desk space.

Crisp, Clear Visuals
Enjoy sharper focus with high contrast ratios and fast response times that reduce eye strain. Acer's display technologies provide consistent viewing angles and realistic color reproduction, making it easier to work on detailed projects or watch media.

Multiple Connectivity Options
Connect seamlessly to notebooks, tablets, and other devices using VGA and HDMI ports. The monitor ensures smooth collaboration and effortless integration with your existing equipment.

Eco-Friendly Performance
Designed with sustainability in mind, this monitor is RoHS compliant and mercury-free. White LED backlighting and Acer EcoDisplay technology significantly lower power consumption, and over 10% of the materials are made from post-consumer recycled plastic, minimizing environmental impact.
